## Fire Dept. - Rescue Squad Reveals Plans For New Two-Story Building

Plans for the new two-story building for the Greenbelt Volunteer Fire Department and Rescue Squad, Inc., have been announced by the organization. The building will be erected in the near future on Southway Road near the National Guard Armory. Bids have been received, and the trustees are concluding final details preparatory to the beginning of construction.

The building will be constructed of concrete, brick, and cinder block. The first floor will house the fire equipment and ambulances and will include sleeping quarters for the night duty men, shower stalls, and office. The second floor, which will be accessible from outside stairways, will have a large unobstructed floor area available for social affairs to outside organizations for a fee. Facilities will include a stage, complete kitchen, and lavatories for men and women.

A tower in the rear of the building will house the five-horsepower siren and will also serve as a drying tower for fire hose. It is hoped that the installation of the siren on the tower will permit it to be heard in a larger area than the siren now located at the Center.

Members of the organization are now nearing completion of the basic firemen's course conducted by the Fire Service Extension of the University of Maryland. The 60-hour course is conducted for three hours each Monday evening for a period of 20 weeks. As a result of this training it is expected that Greenbelt will have more trained firemen than at any time since the city was built.

## 50 Consumer Co-ops Meet At Conference

Executives of 50 consumer cooperatives in the United States met in the Washington area May 22-24 for the 5th Annual Urban Managers' Conference. On Sunday the group inspected the Fairlington and Falls Church Co-op stores; on Monday, the Wheaton and Takoma Co-ops; and on Tuesday the Greenbelt operations.

Speakers included Dick Carlson, consultant to the Cooperative League of USA, whose subject was "Personnel Organization and Policies"; and John T. O'Brien, Washington Public Relations counsel, who spoke on "Public Relations and Advertising." Also leading discussions were Robert Morrow, GCS Controller, on "Accounting and Controls," and GCS General Manager Sam Ashelman on "Expansion of Cooperative Distribution." William H. Petri, General Manager of Rochdale Cooperative Services, was chairman of the conference.

## Five Local Lions Go To Convention

Clyde Stripling, Lloyd Moore, Paul Strickler, Jay Brubaker and Eric T. Braund, together with delegates of the 206 Lions Clubs in the Maryland-Delaware and District of Columbia district will meet in Convention at Atlantic City, N. J., May 25 to May 28. This will be the annual business meeting of the 22nd District of Lions International and the assembled Lions representing the ten thousand members in this area will select their new District officers for the coming fiscal year.

Governor Robert Meyner of New Jersey was present to welcome the Lion delegates at the opening session at Chalfonte-Haddon Hall this morning, while Harold P. Nutter of Camden, New Jersey, a former Lions International President, will address the group at the gala District Governor's Banquet tonight.

The Convention will formally endorse the candidacy of a former District Governor, Frank J. Horthy of Wilmington, Delaware, for the office of International Director of Lions International. This contest will be decided at the Atlantic City Lions International Convention in June 1955.

The Convention will close on Saturday when five new District Governors will be elected to succeed the present officers of the 22nd District who are Albert C. Wise, of Edgewood, Md., George W. Dutton, of Denton, Md., William J. Mileham, of Washington, D. C., Howard D. Furniss, of Milford, Del., and Aaron G. Steiner of Hancock, Md.

## HAYRIDE

St. Hugh's Teen Club will sponsor a Hayride to Great Falls, Va. on Sunday, May 29.

The truck will leave St. Hugh's Church promptly at 7 p.m. and will return about 12. Tickets are 75 cents per person and may be purchased by seeing Joe Mrkovich, 10-N Southway, or call 5252, or 4107, before Saturday evening, May 28, so arrangements may be made for the truck. Soft drinks will be sold on the truck, but everyone must bring his own food. Only a limited number of tickets will be sold.

## Baseball Season Starts For County Boys Clubs

The Prince Georges County Boys' Clubs have inaugurated a 16 week baseball program for approximately 2,000 boys beginning the week of May 16. The Boys' Club operates with four different age groups in the twenty-six communities in Prince Georges County, with adult sponsoring groups supervising the year-round program.

Actual training for the long baseball program began in April with instructions, training and conditioning. Sixty-eight inter-club teams will compete for Prince Georges County Boys' Club Championship Crowns.

Before the regular season is over in August, the four age groups will have rung up a history of nearly 500 regularly scheduled league games, each with a man in Blue officiating. Best estimates place the actual games played, including non-league, exhibition and practice, at nearly 2000 ball games.

At the termination of the regular season, play-offs for Conference (League) and County-wide titles will begin and last until about Labor Day. Play-offs will account for approximately thirty to fifty more ball games played.

## Lions Club Sponsors Memorial Day Picnic

Immediately after the Legion-sponsored parade Monday morning, the Lions Club is sponsoring a picnic at the Greenbelt Lake. The first affair of the season at the lake, the picnic will feature games of all kinds for all ages—races, horseshoe pitching, basketball shoot, pony rides, bingo, fish ponds, and many, many others.

Special attraction of the all-day picnic will be the award of a new bicycle to some lucky winner. All those who purchase a ticket for any of the many games will get a chance to win the bike—a chance with every purchase.

Entire proceeds of the picnic go to the Lions Club welfare fund.

## Poppy Day Funds Protect Veterans

Funds which enable the American Legion Auxiliary to aid war veterans in distress come largely from the contributions made by those who wear memorial poppies on Poppy Day, Mrs. Frank A. Nunnary, Rehabilitation Chairman of Greenbelt Auxiliary Unit, No. 136 said today as she helped complete preparations for the observance of Poppy Day here May 27 and 28.

"The dimes, quarters and dollars dropped into the coin boxes of the Auxiliary's Poppy Day volunteers are divided two ways," Mrs. Nunnary explained. "Half goes to our work for veterans and half to our child welfare work. These funds are available throughout the year for relief of distress among veterans and veterans' children.

"The bulk of the money stays right here in the treasury of our local Auxiliary Unit and is expended locally. There is no overhead for promotion or management and, since all of our Poppy Day workers are volunteers, every penny contributed goes for the purposes for which it is given.

"Here in Greenbelt we have a large number of veterans, the majority of them young men with families of small children. We of the Auxiliary believe that when misfortune overtakes any of these veterans, when the effects of war wounds or illnesses overcome them, they deserve the help of the community. That is why once each year we ask everyone to contribute to the Auxiliary's poppy funds."

## Registration

A second registration day has been set in Prince Georges County for the enrollment of all first grade pupils not already registered. This registration will take place Friday, June 3, in all elementary schools of the county.

Hours for registration will be from 9 a.m. to 4 p.m. at Center School, and 9:30 to 11:30 a.m. and 1:30 to 3 p.m. at North End School.

It will be necessary for parents to present a birth certificate indicating that their child will be six years of age on or before December 31, 1955. A vaccination certificate and a certificate of immunization against diphtheria should also be presented.

This is the final spring registration and it is important that you enroll your child now if you have not already done so, in order for school officials to be prepared for these children when they enter school in September.

## Teen Age Party Set At Center School June 3

The teen agers of Greenbelt are invited to a "Teen Age Party" to be held in the Home Economics room at the Center School on Friday evening, June 3, at 7:30 p.m.

Sponsored by the Greenbelt Baptist Chapel, the party will consist of games, singing, surprises, motion pictures, and refreshments. There will be no cost and informal clothes are the order of the day.

## Legion Post Sponsors Memorial Day Parade

The Memorial Day parade will begin at 10:30 a.m. and memorial services at 11 a.m. The parade route will begin at Southway and Ridge. It will go up Ridge to Gardenway, down Gardenway and left on Centerway to the Memorial at the center.

Order of units appearing in the parade: Drill Team, American Legion Post No. 136; Firing Squad—Battery "A" 224th Field Artillery Battalion, Lions Club—Greenbelt, Maryland, Greenbelt Majorettes, Greenbelt Band, Cub Pack No. 229, Cub Pack No. 202., Troop No. 202, Boy Scouts of America; Girl Scouts of America—Greenbelt District No. 1; Navy Wives Club—Greenbelt, Maryland.

The Memorial program, immediately following the parade, will be highlighted by the placing of a wreath at the memorial, and a memorial bush is to be planted as a living dedication to our dead heroes.

Senator H. Winship Wheatley will also be present as a guest speaker.

The American Legion of Greenbelt invites all the citizens of this town to join in paying homage to the men who died to keep this nation free.

## GCA Favors Greenbelt In Greenbelt

Renewed objection to a reported plan for cutting down the trees in the city center behind the statue, to make room for more commercial buildings and a parking lot, was voiced by the Greenbelt Citizens' Association Monday night.

The GCA meeting also voted to urge that county and city authorities require developers of heavy industry and light industry areas west of Edmonston Road to set up a 200-foot wooded belt between their areas and the Junior High School and Edmonston Road.

Len Baron, GCA development committee chairman reported previously that the City Council had favored the granting of the developers' application for industrial zoning, apparently because Council hoped for additional tax revenues.

Citizens of nearby Hollywood, who protested the industrial zoning before county authorities, won for themselves the requirement that a shelter belt of trees be put down between Hollywood and the industrial area, GCA President Walter R. Volckhausen brought out. But Greenbelters were absent from the county hearings, he noted.

The action on the proposed center development was taken after Baron reported that Council had been noncommittal when he had presented GCA's objection to the plan to convert the tree-covered picnic and playground area back of the co-op food store. The conversion plan, it was explained, is being advanced by Gilbert Realty of Philadelphia who bought the center. They want to put up more commercial buildings but would need to cut down trees for new parking space to replace present parking area on which the buildings are to be erected. Such plans would take the green belt out of Greenbelt, GCA members felt.

The Association also voted to ask City Council to enforce the no-dumping ordinance and get rid of a growing pile of roofing shingles and other debris accumulating on the site of the Rescue Squad's future headquarters on Southway near the new armory. Outgoing secretary Glenn L. Burrows called the situation to GCA's attention, and the resolution was passed swiftly.

Before these matters were taken up, along with discussions of the library and recreation situations, the Association elected a new seven-member board of directors for the coming year and saw the Ed Murrow "See It Now" interview with Dr. J. Robert Oppenheimer on film.

Elected to the new board were Len Baron, Jane Hunt, George Reeves, Eleanor Ritchie, Herman Sirlin, Hal Silvers, and Volckhausen. The directors will choose GCA officers from among their own number.

## To The Editor

### BASEBALL ORDINANCE

The supporters of the proposed baseball ordinance seem to be putting all the emphasis on the preservation of personal property. I, for one, am interested primarily in the preservation of the lives of our little children. In our neighborhood, for instance, boys play hardball in an area bounded on one side by the children's playground and on the other by a busy main sidewalk. A left-hander will hit his ball on a direct line to the sandbox in the playground; the right-handers' balls often pass over the busy sidewalk into the midst of our court, where children are playing in their yards. —All this within a stone's throw of McDonald Field, which is usually empty at the times these boys are playing.

Will an innocent child have to be seriously injured before something can be done about this dangerous situation?

Congratulations are being tendered Mr. and Mrs. Frank Gonda, 51-G Ridge on the birth of a girl on May 19 at Georgetown University Hospital. The baby has been named Deborah Ann and weighed eight pounds, six ounces at birth. The Gondas have three other girls: Pat (8), Jean (6) and Judy (5).

Mr. and Mrs. Alan Kistler, 7-B Crescent had the pleasure of a four-day visit last week of some Swedish friends. Mr. and Mrs. John Nordine and baby daughter, originally from Sweden had just returned from a six months visit to Sweden and were on their way home to Chicago. They were accompanied by Mr. Paul Costello, also from Chicago.

Happy birthday to Dianne Bac-lawski who celebrated her fourth birthday on Friday, May 20 with a party at her home, 9-J Ridge. Due to an outbreak of measles in the neighborhood all the guests could not attend, but Dianne had a happy birthday anyway.

On May 22, Helen Justman's creative dramatics class gave a demonstration and this was one occasion at least when the guests and teacher enjoyed themselves as much as the children.

Hal Silvers, 25-A Ridge had the pleasure of a visit from his parents, Dr. and Mrs. Jack Parkin of Paramus, New Jersey last weekend.

Three Maryland soldiers, including Pvt. Edward A. DonBullian of Greenbelt, served as guides for a visiting group of Congressmen on a tour of the 82d Airborne Division, recently. Pvt. Edward A. DonBullian, 7-D Ridge.

David Schurr, son of Mr. and Mrs. Edward Schurr, 31-D Ridge has been awarded a four-year tuition scholarship to the University of Pennsylvania. Congratulations!

Rhona Trattler, social chairman of the Sigma Delta Tau Sorority, University of Maryland, invited a group of Greenbelt girls for a tea on Wednesday, May 18. The girls, including two JCC Youth Groups, also toured the campus.

Birthday greetings to Phylis Chasnoff, 45-N Ridge, who will be six on May 28.

Mr. and Mrs. Robert Bernhard, 6-Z-1 Plateau proudly announce the arrival of Robert Donald on May 12. Robert tipped the scales at nine pounds, fifteen ounces at Prince Georges Hospital. At home to greet him are Charles Louis (6) and Gwendolyn Ann (3½).

Mrs. Ida Rappaport and daughter from New York were the house guests of the Jack Ratzkins last weekend. Barbara Ratzkin, 17-K Ridge will be a model in the B'nai Brith Fashion Show on Sunday.

Congratulations to George Kaufman and Alfred Skolnik for proving that Greenbelters are excellent Bridge players. The boys invaded

### JCC Sunday School Closing Exercises

The Jewish Community Center of Prince Georges County announces the final session of its Sunday School classes. Under the leadership of Samuel Vernoff, the Sunday School staff directed an activity program in addition to the regular Sunday School curriculum. Activities included arts and crafts, dramatics, music, dance and special discussions.

The culminating event of the Sunday School season will be the closing exercises on June 5, 1955 at 2:30 p.m. at the new Jewish Community Center Building on Ridge and Westway. Certificates and special awards will be presented to the students. Guest speaker will be Yohanan Meroz, First Secretary to the Israeli Embassy.

The Sunday School pupils will entertain their parents and guests with a presentation of a cantata called "What is Torah," including original choreography by the JCC Sunday School Dance Group.

### Church Plans Daily Vacation Bible School

The Community Church is again making big plans for its annual Vacation Bible School, to be held June 20 to July 1, from 1:30 to 3:30 p.m. Classes are planned for children from 5 to 12.

The general theme for the ten sessions will be "Personal and Group Relationships," based on texts prepared by many denominations working together. Guided by carefully chosen, trained teachers the children will participate in activities designed to teach them the meaning of religion in their everyday lives.

Registration may be made in the Community Church vestibule after church services on June 5, 12, and 19; or call Mrs. Dorothy Galvin, 9209. The registration fee is 50c per child, or \$1.00 a family.

## My Daze

Friends from Alexandria, Virginia were due to come visit last winter. Spring came. I was hoping they'd see Greenbelt magically ablaze with fruit tree blooms. Forsythia, dogwood, tulips, magnolia, have also come and gone, but not our friends. By the red tape involved in our getting together you'd think we were a continent apart, instead of just the Potomac and a few miles. Perhaps when they finally do arrive, we'll have the roses on display. That is, if our friends AND the roses make it.

Our scenery is being constantly improved by frequent visits of GVHC tractor-mowers and the exquisite care neighbors give their grounds. We are impelled to take sufficient and good care of our own yard in return. It also seems suddenly important to get that outdoor storage closet built (according to GVHC specifications, naturally). Bicycles, tricycle, hose, mower, tools and toys make an annoying clutter, howevermuch they testify to a family's energy and industriousness. We hardly get to relax on the porch, as I suppose it was intended. No wonder many people who own garages still keep their cars parked on the road.

As she watched me use paint remover on an old chest, my daughter remarked that smelling it removes your nose. What she said became not so funny when some of the stuff splashed on and burned my arm, just as the new "easy" wonder oven cleaners do. These new fangled chemicals are so treacherous, that if you're not careful, they'll remove people along with the dirt.

Our little boy was allowed to go to the movies with his big brother and sister when he promised he'd be as "quiet as a house."

**LOCAL REPRESENTATIVE,** excellent opportunity. Build your own business. Earn \$25 a day commission selling one of America's finest air-cushioned shoes. Write 1404 New York Ave., Rm. 621, Wash., D. C.

## The School Corner

by Joan Dickerson

Mrs. Gerrits' and Mrs. Thompson's 4th-5th grade combinations at Center School went to the Baltimore harbor, Monday, May 23. They took a conducted tour for school children on a ship belonging to the Tolchester Line. The hour and a half circuit of the harbor was very informative and interesting for the group. The youngsters had a picnic lunch at Druid Hill Park in Baltimore. On the way home they stopped at Friendship Airport where they went through the buildings and watched airplanes landing and taking off.

Mrs. Thompson, Mrs. Gerrits and their classes are particularly grateful to the following parents who drove for them: Mrs. Vincent Caruso, Mrs. Wm. T. White, Bernard Krug, Harold Hufendick, Richard Hoffman, Mrs. Mack Walden, Mrs. Bridge, Mrs. Louis Lushine, Mrs. W. Page, Mrs. Wood, and Mrs. M. Fontaine.

### High Point

"One enchanted evening" was enjoyed by the Juniors of High Point at their Prom on May 14. The prom was handled by several committees, with Doris White serving as chairman of the central committee. Jean Anne Teal, Mary Ann Melick, and Jim Matheny sang during the intermission and along with some of the dance numbers. The decorations were pink streamers centered with a revolving crystal ball. Yellow and red roses decorated the wells.

Nine teen-agers from Greenbelt, College Park and Berwyn Heights will star in their school play, "You Can't Take it With You", a three-act comedy by Moss Hart and George S. Kaufman on May 26 and May 27 at 8 p.m. Admission will be fifty cents for children under 12 and seventy-five cents for adults. Members of the cast are Doris White, Peggy Ford, Florence Hearn, Grant Swank, Charles Wainscott, Richard McDuffie, John Ledgi, Sandy Kirkpatrick and Thomas Scoville.

## The Long View

A. C. Long

Crosby Noyes, the European correspondent for the Evening Star, is running a series of articles on Israel Today, and a few days ago I read a very interesting one on life in a "Kibbutz," a communal village. In this particular kibbutz the children begin life in a community nursery and are raised together, removed from their parents until they are old enough to go away to high school. Their parents see them only before work in the nursery and from 4 to 7:30 p.m. on Saturday. I read this surrounded by every evidence of family bliss—my boys were joyously cutting the lawn, the baby was playing quietly with blocks and the girls were happy with home work and games.

"What a terrible thing!" I exclaimed to Pat, "Imagine not having your kids with you at home." A few hours later the boys were rassing about the living room, the baby was shaking h... out of his bed, one of the girls kept changing my television program and the other just waited for good luck.

"This is too much!" I shouted. "I'm going right down to the Greenbelt Citizens Association and get a couple of kibbutzim organized right here in Greenbelt. It's a wonderful idea!" With that Pat Kibbutzed me right out of the house.

## CART BEFORE THE HORSE?

NOT IF YOU SAVE AT YOUR CREDIT UNION

Many folks are always spending AHEAD of their income. This means borrowing or instalment buying, with resulting interest charges. They get less for their money. Folks who save here and build a reserve can buy for cash. And they get interest on their savings, too.

## Junior High Band Final Appearance

By Robert M. Dwsen

### Instrumental Instructor

One of the busiest and hardest-working groups in the Greenbelt Junior High School is the school band. Not only has it played at several P.T.A. meetings this year at the school (playing music appropriate to such seasons as Thanksgiving, Christmas, and even Hallowe'en!), but this band has also given a special performance for the Wildercroft Elementary School P.T.A. and played at two band contests in this area this school year. And of course the band has played for the school itself at special assembly programs, including today's "Award Assembly" where band members participating in the recent Lions Club Band contest at the National Guard Armory (the Greenbelt Lions Club being the sponsor for our Junior High Band!) received certificate awards for their performance at that event.

All of which leads us to the announcement of the final appearance of the band for this school year. On Friday evening, June 3, at 8 o'clock, the band will give a concert in the school gymnasium, to which all friends of the school and the band are invited. Because of the need for additional band clothing and other supplies, a nominal charge of 25c for 9th graders and below in school and 35c for everyone above that grade (including adults of every age and description!) is being made. Tickets may be obtained from band members and other school students who have them for distribution. It is hoped that a sizeable band fund may be established so that the forward development of the band will not be hindered because of financial restrictions.

Mostly, however, it is hoped that people will attend the concert to enjoy the music which our school instrumentalists are learning to produce these days. A varied program is promised, from Hill Billy music to "serious symphonics!"

## Nursery School Holds Open House June 1 & 8

The Greenbelt Cooperative Nursery School has announced that it will hold open house during its regular session on Wednesday, June 1, and Wednesday, June 8, at 14 Parkway between the hours of nine and 11:30 a.m.

Mrs. Eleanor Hillebrand, who will handle registrations for the fall term, will schedule the visits for the two open house days. Persons planning to make the visits to the school should contact her at GR 3-3836.

At the Nursery School meeting on May 18 officers were elected for the 1955-56 school year. Re-elected president was Mrs. Helen Justman; vice-president is Mrs. Eleanor Hillebrand; recording secretary is Mrs. Mariana Schmidt; financial secretary is Mrs. Vivian Greenbaum; and treasurer is Mrs. Marie Thompson. Mrs. Jennie Klein will continue as the nursery school teacher for the current half-day program.

The meeting also heard a report from the president, which revealed that the tuition in the Greenbelt school is lower than that charged by any comparable school in the area while the physical equipment and program is of equal quality or better. However, the need is still felt for larger quarters, and it is planned to appoint a committee to review again housing possibilities.

The school will hold its annual picnic on Monday, June 13, at Greenbelt Lake starting at noon. Both current nursery school children and those planning to attend next year are invited.

## MIDGETS LOSE

Greenbelt Midgets lost a tough one to Hollywood-Berwyn. Ellsworth Beyers pitched a no-hitter, giving up 2 walks. His mades made 3 errors to allow 2 unearned runs. Roy McCauley homered for Greenbelt's only run, with 3 other hits. It still wasn't enough to win.

## Fireman, Save My Car

When Rafael Arroyo drove away from his court last Monday night he left a trail of smoke that wasn't all coming out of the exhaust pipe of his 1947 De Soto. Several neighbors chased him, yelling that his car was on fire. Arroyo remembers noticing a strange light coming from the space near his clutch pedal, but was not really concerned until he smelled smoke also. He quickly pulled over to the side of the road, got out of the car and lifted the hood.

He quickly discovered the motor was burning.

By that time someone had called the fire department, and a siren sounded over the city. "Within a few seconds the fire department was there, the ambulance, the police and even a GVHC truck," Arroyo declared. "I never saw such fast action before."

Firemen quickly extinguished the blaze with chemicals. The car was parked near the intersection of Ridge and Gardenway, opposite the Medical Center and Arroyo's insurance agent, Tony Madden. "About 300 people were around the car," Arroyo continued. "They were all very helpful and demonstrated real neighborliness."

Later, the car was rolled down hill to the garage where repairs were estimated. It is believed a leak in the gas line and a "short" caused the blaze. In the car with Arroyo was his son Ralph, 15 years of age.

## Social Service League Elects Dr. G. Cairns

The fifteenth annual meeting of the Social Service League of Prince Georges County, a Red Feather Agency, held in the Community Service Building, Mt. Rainier, Monday, May 23, unanimously elected Dr. Gordon M. Cairns to head the Board of Directors during the coming year. Dr. Cairns, Dean of the College of Agriculture of the University of Maryland, recently served as Chairman of the Finance Committee.

A motion picture, "A Family Affair," produced by The Family Service Association of America and the Mental Health Film Board, was shown with Mrs. Mary Jane Kinzer of Greenbelt as narrator. Annual reports were presented by George C. Cook, retiring president of the Board of Directors, Dr. Cairns, and Mrs. Elizabeth Goldfaden of Greenbelt, Executive Secretary of the Social Service League.

Mrs. Goldfaden reported that 406 families had received services from the Social Service League in 1954, and that there had been a marked increase in the number of families receiving financial assistance. Both Cook and Mrs. Goldfaden emphasized that family casework is the true function of the agency, stating, however, that unemployment in the County had made a large amount of direct relief necessary.

Officers re-elected to serve another term were Dr. Aaron Deitz, first vice president; Mrs. Fred Tuemmler, second vice president; Mrs. Mary Jane Kinzer, secretary, and Mr. William A. Duvall, treasurer. Theodore L. Miazga, former Judge of the Magistrate's Court and president of the Mental Health Society, was elected to the Board of Directors.

## Babe Ruth Pitchers Star; Practice Sat.

By Mary Kenan Hadley

Co-op Babe Ruth League baseball practice at Braden Field last Saturday morning was the most thorough to date. Turnout was disappointingly small but the lads who showed up got in some good licks and exhibited a lot of hustle. Pitching candidates indicated a bit of aptitude toward their prospective mound chores. Supermarket's Fred Slauch, Variety's Barry Petroff and Sam Barron, Drug Store's Chuck Clark, newcomers Bob McGlothlin and Ronnie Bussard and Market's Ronnie Newman all put a lot of zip in their flinging.

Last season's early running leader, Service Station, which ran out of gas as the summer progressed, should give a good account of itself with the material on hand for a nucleus. In Dale White they have probably the best catcher in the league and a "take charge guy" to boot. Their lanky firstsacker Pete Bowman ranks right in there with Supermarket's Richie Fonda and Drug Store's Ken Reamy. Also coming back to the Gasmen are Leo Weber, Pat Ready, Bud Copeland, Bobby McAlley, Eddie Moody and catcher-thirdsacker Donnie King, the diminutive hustler. A pair of fine pitching prospects make the Gas Pumpers' chances seem a bit rosier. 6 foot 3 inch Dave Goldfaden and Lefty Robert Taylor, some 13 or 14 inches shorter, have shown a lot of pitching promise.

Gone from the team due to over-age graduation are last year's captain, Dicky "Scooter" Taylor, who is currently playing a lot of shortstop for High Point High School; lanky Ted McCord, Stan "The Man" Edwards, Bill Sandilands and Larry Sullivan.

Again we point up the need for new 13 year old candidates for the four teams. All Babe Ruth League players, new and old, will report at Braden Field Saturday morning at 9:30. Time is growing close to league opener and a lot of things remain to be done, so it is up to you boys to come out.

## Library News & Notes

Your County will be represented at the 74th Annual Conference of the American Library Association to be held in Philadelphia, Pa., July 3 to 9, with the theme: "Libraries in the Life of the Nation." One of the nation's largest professional gatherings, the ALA Conference will have more than 4,500 librarians from all parts of the country participating.

In attendance from Prince George's will be Mary K. Hadley, County Library Administrator and Robert Carter, Book Selection Librarian.

The general sessions will present speakers of prominence who will relate the Conference theme to the function of libraries as the service agencies of a democracy. There will be more than 250 business and program meetings covering all phases of librarianship.

ALA President, L. Quincy Mumford, Librarian of Congress, will preside. At the final session, John S. Richards, Librarian of the Seattle, Washington, Public Library, will be installed as President.

Carter will attend adult services meetings, and Mrs. Hadley will attend the Library Extension Section meeting as Director, as well as a pre-conference on democratic administration of libraries.

## Art Teacher Guest on TV Show

Mr. Donald Uhlin, art teacher at the Greenbelt Junior High School and resident of Greenbelt was the guest on "Comeback" a Baltimore television program on Tuesday, May 3. "Comeback" is a program which introduces people who have overcome a handicap.

Pictures and incidents from Mr. Uhlin's life in Minneapolis before he contracted polio were shown. While he was recovering from polio in the hospital his interest in art was intensified, and a portrait he had painted of a fellow patient while he was still bedridden was shown on the program.

Mr. Uhlin is very much interested in his work and feels that his need to use a wheel chair is actually an asset in the non-directive method of teaching art. It provides a natural atmosphere conducive to the encouraging of students to take more initiative in their work.
