Fire Prevention Program Features Prizes for Slogans and Posters

"Fire Safety for Children" is the theme of Fire Prevention Week this year. October 7 to 13, the anniversary week of the great Chicago fire, has been set aside to place national emphasis on the need for fire prevention.

In Greenbelt, the fire department is preparing a program aimed mainly at the children in grade school and their parents, through the PTA. Practical preparations have already begun with fire drills held at Center school, North End school, and St. Hugh's. These drills were observed by the Prince Georges county fire inspector and representatives of the Greenbelt fire department.

The program will include prizes given to children in grades one through six for the best slogans and posters. Prizes will include belts, scarves, ties, T shirts, and "Sparky" pencils. Movies will be shown to children at school and to parents at PTA meetings. There will be fire-equipment demonstrations at each school and rides on the apparatus. Children will be invited to enroll in Sparky's fire department and will be given inspector's cards and information folders telling where to look for fire hazards and how to report them. The high mark of the week will be a trophy, awarded to the school most active in fire-prevention work during the week.

The week of October 7 to 13 promises to be fun for Greenbelt's youngsters, but fun with a purpose—fire prevention.

Community Church Holds Annual Carnival

Greenbelt Community Church will hold its Fourth Annual Carnival on the church grounds this Saturday, September 22, starting at 2 p.m. Enjoy the delicious food out of doors in the crisp September air. Chef Stanley Edwards will prepare the fish, hot dogs, barbecues, corn on the cob, cole slaw, etc. The ladies of the various groups of the Church will have homemade pies and cakes for sale, and ice cream and soft drinks will be served all day.

The Church School will sponsor such booths as the fish pond, record corner, puppet show, balloon and dart throw, ring toss, lion shoot, and pony ride. There will be plenty of five and ten cent items for the children.

The Carnival Committee consists of Bob Halpin, Bob Dove, Cliff Woodward, Earl Knickelbein, Mrs. Adelina Beck, Mrs. Helen Mott, Mrs. Joyce Wickers, Mrs. Vera Weber, and Mrs. Helen Hufendick. Everyone is welcome to come and join in this day of fun and fellowship.

DEMOCRATS HEAR

Over 200 local citizens heard candidates Richard Lankford and George Mahoney speak at a Democratic party rally in the Greenbelt Armory last night. A recording of a talk by Adlai Stevenson, made especially for the occasion was played.

Mahoney contrasted the type of legislation passed by Congress with slim majorities of only one Senator; Republican in 1952 - 1954 and Democratic 1954 - 1956.

You are invited to attend the

'The Legionnaire'

Entertainment Committee Chairman, Frank Dudley, has set the date for the American Legion Shrimp Feast as Saturday, October 6, from 6 p.m. to 8:30 p.m., all you can eat and drink; for those who wish to dance, music will be furnished from 9 to 12. Tickets may be purchased at the post home. Chairman Dudley is working on a new program which would enable the members and their friends to enjoy themselves at monthly dances. This will take a lot of hard work and cooperation to make it successful, so those members who are interested in backing this program with their attendance, please acknowledge at the next business meeting to be held September 20.

The weekly movie at the post home on Wednesday, September 19, will be "Sahara" starring Humphrey Bogart, a class "A" picture. Please make an effort to attend, and bring a friend, as I am sure you will enjoy it. Show time is 9 p.m., admission—free.

The post Historian, Charles Link, has informed me that he has no pictures for the post records of the American Legion or the Junior Drill Team of their performance in the Labor Day Parade. If there is anyone who made such pictures and would lend Link the negatives to copy, it would be very much appreciated. Call GR 5536.

A rally and parade is being held in Danville, Virginia, on September 29 for the homecoming of the new National Commander Dan Daniels. Anyone who would like to participate in this affair, please contact Pop Bell at GR 9290 or Commander McCauley, for more detailed information.

It was brought to the attention of the Executive Committee that a group called the "Stepperettes" found themselves without a sponsor which made them unable to qualify in competitive competition; therefore, in the future they will perform under the American Legion Emblem. This group consists of 75 young ladies, ages 5 to 14.

Vice Commander Paul Cherry wishes to bring to your attention that the dues for 1957 are now payable. Up to date the 1957 card holders amount to 100. He hopes that the 1956 members will renew their membership as soon as possible; and don't forget that neighbor who is eligible.

Now Hear This! A great achievement has finally been accomplished for you Ping Pong Players. A new Ping Pong Table and equipment has been purchased and will be ready for service in the post game room on September 20 for those indoor sportsmen.

Thomas J. Freeman
Second Vice Commander
American Legion Post 136

County Rec Dep Starts Recreation Class

The Prince Georges County Recreation Department announced this week the schedule of children's classes it will offer starting September 29. Classes, for which there is a \$3 registration fee, will meet Saturday mornings for 12 sessions at Northwestern high school.

9 - 10—Baton (beginning), Ballet (Intermediate), Creative Dramatics, Hawaiian Dance. 10 - 11 — Baton (Intermediate), Ballet (Beginning), Creative Dramatics, Hawaiian Dance, Folk Dancing. 11 - 12 — Baton (Advanced), Creative Dramatics (Advanced), Folk Dancing.

Registration for these classes will be held from 10 a.m. until 12 m. on Saturday, September 22, in the lobby of Northwestern.

GVHC Turns Down Rescue Squad; Refuses Garage for Storage

By Al Skolnik

A number of varied but minor policy issues consumed the attention of the Greenbelt Veteran Housing Corporation board of directors at its regular meeting last Friday night. Among items discussed were renting of empty garages for storage, granting of contributions to outside civic organizations, and permitting of trucks on the Washington-Baltimore parkway.

A major policy matter concerning the Lastner committee recommendations for setting up uniform procedures and policies to be followed in the sale of homes was postponed until the September 28 meeting, because management and board members had insufficient time to study the proposals.

Editor Parker Resigns; Staff Elects New Board

Isadore Parker resigned as editor of the News Review at a meeting of the Greenbelt Cooperative Publishing Association last Monday. His successor has not been chosen; the paper will be put out by the staff in the interim.

Accepting the resignation with reluctance, Harry Zubkoff expressed the appreciation of the entire staff for Parker's service to our community newspaper and, through it, to Greenbelt.

A board of directors was elected at the Monday night meeting for the 1956-57 term. They are Helen Dondy, Rhea G. Kahn, Isadore Parker, Al Skolnik, and Harry Zubkoff. Business manager Betty Cross serves on the board ex officio.

Library Friends Meet

Tuesday, September 25

The regular meeting of the Friends of the Library will be held at 8:30 Tuesday evening, September 25 at the library in Center School. This is the first meeting to be held under the new constitution adopted in July. The meeting will be devoted to plans for a membership drive to be held this fall to ensure a membership representative of the entire community. A nominating committee is also to be chosen to nominate permanent officers for the organization at the elections meeting planned for November.

Free Airplane Rides Benefit Heart Fund

This Sunday airplane enthusiasts will have an opportunity to hop in a plane and take a ride for the benefit of the Prince Georges County Heart Association. It will be Raymond Hughes Memorial Ride Day from noon until 6 p.m. at the College Park airport and at Hyde Field near Clinton.

The event is sponsored by the Washington Air Derby Association in memory of Raymond Hughes, a former member who died following a heart attack. Pilots of the association are donating their craft and time to give children and adults an airplane ride. There is no charge for the ride, but donations will be welcomed for the heart association.

327 New Voters Register Here

A total of 327 citizens registered as voters for the coming nationwide elections at the Center school last Monday. Of this number, 90 registered as Republican, 22 Independent and 215 Democrats. The registration was held from 9 a.m. to 9 p.m., but employees did not finish the paper work until midnight, according to Mrs. Oscar Zoellner.

COUNTY PTA COUNCIL

The Prince Georges County Council of Parent-Teacher Associations will hold its annual dinner meeting Tuesday, September 25, at 7 p.m. at Suitland senior high school on Silver Hill Road.

Speakers will be Dr. Vernon Anderson, dean of the college of education at the University of Maryland, and Prince Georges county superintendent of schools William S. Schmidt.

Dr. Anderson will speak on, "How Laymen and Professional Educators Can Work Together for Better Schools." Mr. Schmidt will talk on, "Why We Should Accept Experimentation in Our Schools if Our Educational System Is to Advance."

The board received a request from Eli Don Bullian of 7-D Ridge for permission to rent unused garages for storage of personal private property. GVHC president Ed Burgoon explained that it was against GVHC policy to rent garages for any purpose other than garaging of cars. It was pointed out, however, that Greenbelt Development Corporation had a number of unused garages near its apartments on Parkway which, because of their isolated position, might be considered for conversion to storage rooms, provided they were not used for commercial purposes nor as workshops. GVHC manager Paul Campbell outlined certain financial, zoning, or insurance difficulties that might be encountered. The board suggested that Don Bullian and Campbell work out agreements covering these difficulties and present their proposals to the GDC board.

The board received sympathetically a plea by Robert Mogel for a contribution to assist the Fire Department and Rescue Squad in its program for Fire Prevention Week next month. Mogel pointed out that the rescue squad is short of funds because it did not receive its full share of state tax money this year. After examining the criteria which the board had previously agreed to follow with regard to contributions to outside activities, the board came to the reluctant conclusion that a donation to the rescue squad would be contrary to GVHC policy, since, among other things, the rescue squad was planning individual solicitations and a door-to-door canvass for funds. A GVHC contribution would, in effect, mean a double contribution from GVHC members. On director Al Long's suggestion, the board moved to have included in the next GVHC Newsletter a plea to members to give generously to the rescue squad drive.

The board went on record as opposing moves to permit truck traffic on the Washington-Baltimore parkway. Campbell was directed to express this opposition in writing to the Prince Georges chamber of commerce, which had been soliciting local opinion on this issue.

Burgoon appointed a committee consisting of Bruce Bowman and Percy Andros to confer with Campbell regarding the possibilities of offering mortgage insurance to the membership on a group basis. The purpose of such insurance would be to help members meet monthly charges in event sickness, disability, or death interrupted family income.

Burgoon appointed a committee consisting of Bruce Bowman and Percy Andros to confer with Campbell regarding the possibilities of offering mortgage insurance to the membership on a group basis. The purpose of such insurance would be to help members meet monthly charges in event sickness, disability, or death interrupted family income.

Child in distress...

operator to the rescue!

A true story from telephone files,
as told by a grateful parent

"I wish to commend the resourceful efficiency and warm personal interest demonstrated last night by one of your alert operators, Mrs. Josephine Vinsh, in response to a call for assistance from my six-and-a-half-year-old daughter, Michelle.

"I had left Michelle about 6:15 p.m. with her 14-month-old sister while I made what was to be a ten-minute visit to the local shopping center. Because of heavy snow, however, I encountered difficulty during the return trip, thus an unexpected delay. My tardiness in returning and the baby's crying caused Michelle to seek aid by dialing 'O' and requesting Mrs. Vinsh to connect her with our next-door neighbors. Calmly questioning Michelle, Mrs. Vinsh learned their name. Assuring Michelle that all would be well and persuading her to hang up, she called them and told them that the little girl next door was crying and wanted one of them to come over.

"After our neighbor's wife arrived and everything was well under control, Mrs. Vinsh was concerned enough to phone my residence and speak with a more calm Michelle to inquire the status of the situation.

"It is most gratifying to know that a busy operator is alert to recognize a true signal of distress and is sympathetic enough to go to the rescue."
