Police News Review

Greenbelt police picked up a man on Glendale Road and the B-W Parkway at 1:53 a.m. on Saturday morning. The man had been drinking and was throwing stones at passing cars. He was turned over to Park Police, who have jurisdiction over the area.

A call received early Monday morning from the construction division of the National Aero-nautical Space Agency, informed police that there were two cars in the woods. The cars, with many of the parts dismantled, had obviously been stolen. Greenbelt police ascertained the identity of the cars' owners and notified the FBI, since the cars were both owned by D. C. men.

There was a considerable amount of vandalism at the site of the new Youth Center over the weekend. Children apparently threw a large amount of lime and soft mortar against the new brick wall.

LAY NEW GAS MAIN

Beginning probably this week, parts of the improvement of Centerway and the grassy strip running parallel to the street will be torn up as work begins on the laying of a new gas main. This line will service the new pizza shop and the laundromat. The opening of the pizza shop has been delayed several weeks for lack of gas to operate its ovens. Only natural gas ovens produce a heat high enough for high quality pizza.

The extension of the gas main will be brought from the Greenbelt Plaza Apartments, will cross Centerway at the gas station and run parallel to the street in the grassy area by the underpass, and will then recross the street to the commercial establishments which will use the line.

COUNCIL TO INTERVIEW

The city council, acting as an executive committee, is currently conducting interviews with all those residents of the city who have been suggested as possible members of the new personnel board and city planning board.

Local UGF Drive

Greenbelt's U.G.F. Drive is currently well under way, sponsored again this year by the Community Affairs Committee of the Woman's Club of Greenbelt. Again the slogan for the drive is, "Pay where you work, it will help you where you live." In case no volunteer has come to call on you and you wish to pledge help to U.G.F., call GR. 4-4482. Pledges may be paid on an installment basis and no gift is too small.

The drive is being carried on by the following local residents: Mrs. E. Castaldi, Mrs. A. Chasanow, Mr. Ben Goldfaden, Mrs. Mary Jane Kinzer, Mrs. C. S. McCarl, Mrs. C. McDonald, Mrs. C. Mullady, Mrs. H. Slaymaker, Mrs. H. Wodak, Mrs. R. N. Neuman, Mrs. M. L. Dove, Mrs. M. Kandler, and Mrs. C. S. Turner, Jr.

Last year the City was awarded a plaque for overreaching its goal. It is hoped that we can do as well or better this year.

Classes in Foreign Languages to Start

There is still time to enroll your child in the Foreign Language Program, the local Foreign Language Association has announced. Beginning French, beginning Spanish, and advanced French are being offered for children in grades 2 thru 6. Spanish classes will meet at 8:25-8:55 a.m. French classes will meet after regular school hours. All classes meet twice weekly beginning next week.

"In spite of Greenbelt's pioneering role in establishing this program in the county, lagging registrations are imperiling the whole program," stated Mrs. Jacob Warner, chairman of the local group. "If you wish your child to learn a foreign language during his most receptive years, to be better fitted to live in our shrinking world; if you want a foreign language program to be available when your younger children reach the correct age—then now is the time to act," she urged. Mrs. Warner can be contacted at GR. 4-8551 for details, or at her home of 4-D Southway.

GCS Local Notes

By Jessie Dean

We are happy now, then, to be able to tell you that one of the things we've been striving for has been accomplished—we have gained a meeting room right in the heart of our shopping center. If you knew how much we've beefed about not having one, you'd understand how happy and excited we are right now in planning our first OPEN HOUSE—Oct. 14—in it.

Make a note of that date on your calendar, and plan to come to the old telephone company room at 8 p.m., Friday, Oct. 14. The entrance to the room is to the right of the movie theater cashier's booth, up the stairs, and the first door to the right.

Let's get together. Let's get with it, neighbor to neighbor, at the first GCS Open House of the 1960-61 season. Light refreshments will be served, and there'll be door prizes. But most gratifying of all will be your opportunity to learn more about your consumer cooperative services and to present your own ideas for improvement and advancement. They are the real purposes back of this get-together.

Come and learn about the proposed expansion program—expansion in the number of buildings and services, as well as parking facilities. GCS has had a professional city planner study the shopping center and draw up plans for your consideration. See you there

City May Discontinue Visiting Nurse Post

At the city council meeting Monday night city manager Charles McDonald reported on discussions which he had held with Dr. Murray Grant, Public Health Officer for Prince Georges County, concerning the possibility of having a visiting nurse for the city appointed by the county health department. Dr. Grant stated that conditions in Greenbelt do not warrant the appointment of a nurse from the county system. At the same time, he felt strongly that all public health nurses should work directly under the supervision of a public health physician, who would keep in touch with new development in the field. Dr. Grant was not in favor of the city's hiring a nurse who was not part of the county's public health system.

As a result of this presentation by McDonald, the city council requested McDonald to draw up a resolution to discontinue the post of visiting nurse for the city.

Margaret M. Plackett, former nurse for Greenbelt for the last 5 years, has resigned her post to move to Fla.

CITY MAY MOVE TREES

City manager Charles McDonald is negotiating with the Maryland Road Commission for permission for the city to move trees near 8 and 10 courts of Southway. These trees which were planted only a year or 2 ago, come within the boundaries of the planned widening of Greenbelt Road. It is hoped that they can be set back further into the grassy strip beside the new road.

The flags which have been set out on either side of Greenbelt Road do not mark the edge of the new road, McDonald pointed out. They are permanent markers from which measurements are taken to determine the exact boundaries of the road. The road widening extends further into Greenbelt than the present exit from the Washington-Baltimore Parkway to allow for tapering from the dual lanes into a single lane road on Southway.

JR. HIGH PTA

The Greenbelt Junior High PTA will meet on Tuesday, Oct. 11 at 8 p.m. in the school auditorium.

After a brief meeting and welcome by Principal Francis Furgang, each parent will be given an opportunity to follow the same daily schedule as his child. "Back to School Night" introduces the parents to the school's staff and courses of study. A handbook describing the school and the PTA will be distributed.

TWIN PINES OPEN HOUSE

Friday night's Open House at Twin Pines Savings and Loan Association will feature the Kennedy-Nixon TV Debate. A TV set will be on hand for interested viewers, and an informal discussion will follow. The broadcast begins at 7:30, and coffee will be served beginning at 7. The public is invited.

Bruce Bowman, president of Twin Pines, also announced that the Association paid its 12th consecutive quarterly dividend Sept. 30. The dividend is currently at the rate of 5 per cent per year. The Association was established to promote thrift and to make loan on co-op homes.

CUB PACK 202

Cub Pack 202 will be having their monthly meeting on Friday, October 7, at 7:30 p.m. in the Community Church. All interested parents and their sons are welcome to attend. There will be games, and the pack will present a skit.

Graduating from the cubs into Boy Scouts will be Steve Wilkinson, Doug Dalbow and Richard Perkins. Edward Wilkinson is Cub Master.

City Opposes Attempt to Rezone Land For Big Shopping Center, Apartments

By Isadore Parker

Almost 100 acres of Greenbelt land may be rezoned to permit apartments and a regional shopping center, it was disclosed at the city council meeting last Monday night. Webb and Knapp, owners of the land, have petitioned the Maryland National Capital Park and Planning Commission for the rezoning of three parcels from the present "rural planned community" classification.

Minnicks 6-Shamrocks 2 In Tournament Final

In the Final Tournament baseball game last Sunday, played at Burtonsville, Minnicks surprised our local Greenbelt club with a 6-2 upset win to end the 1960 Tri-County Baseball season.

Pitchers Bill Moore for Greenbelt and Delbert Wright for Minnicks both went the distance, Moore fanning 12, walking 5, and giving up 8 singles. Wright struck out 9, walked 7, and gave up 7 hits to the Shamrocks. Leading Greenbelt hitters with two hits apiece were Taylor Syle and Butch Brown, Syle notching a triple. Greenbelt ran into bench-strength trouble early, when, in the second inning, number two catcher Rich Stevenson had to leave the game with a bad sprained finger, bringing in Ken Miller—the only available reserve—who also had an injured thumb. First Baseman Rich Fonda came in to catch, at that point, shuffling things around a little. The Shamrocks never were able to get the big hits from then on, as Wright seemed to have the Shamrocks in check. "Bo" Taylor was the big batter for Minnicks, slamming two opportune singles for three RBIs.

Greenbelt the Tri-County League's Champion, will be honored along with others at the league Baseball banquet at the Knights of Columbus hall in Laurel, Md. on Oct. 21 from 8 to 12 midnight. Along with the presentation of awards, there will be guest speakers from the Washington baseball club, dance music for all, and a buffet supper served. Anyone wishing to purchase tickets in advance may contact Bill Moore at GR. 4-6404.

WEEKENDS AT RAPIDAN

Len Baron, 19-M Ridge, recently elected president of Rapidan Camps, Inc., in the Blue Ridge Mountains of Virginia, announces that the camp's facilities will be open to Greenbelters during the weekends of October 8 and 22. The camp is located about a hundred miles from Greenbelt, just below Big Meadows on Skyline Drive. The camp includes five large sleeping rooms for families, a large modern community kitchen, and modern plumbing and shower facilities with hot and cold running water. It is on the headwaters of the Rapidan River.

Reservations and directions may be obtained by calling Mrs. Bruce Bowman at GR. 4-6468. The accommodations cost \$5 per evening per family unit.

Road Contract Awarded

The Davidsonville, Maryland, firm of F. T. Asher, Jr. has received the contract for the widening of Greenbelt Road between Kenilworth and the Washington-Baltimore Parkway. Preliminary work on the project is already underway.

JCC OPEN HOUSE

The Jewish Community Center of Prince Georges County will be having their first Open House on Saturday, Oct. 8 at 8:30 p.m.

BAPTIST RETREAT

On Saturday, Oct. 8 there will be a Baptist Youth Retreat for young people of high school and college age, between 1 and 10 p.m. at the Adelphi Pond.

The city council voted unanimously to recommend against the zoning reclassification, voting that the change in zoning is not in conformity with the present "master plan" for Greenbelt approved several years ago by the planning agency and adopted by the city. However, council members were more concerned because the petitioners had not come before the council with its plans before taking formal action for rezoning.

The land involved is an 8.2 acre parcel, a narrow strip between Edmonston Road and Kenilworth Avenue opposite the junior high school for apartments; a 56.9 acre parcel triangular bounded by the proposed Capital Beltway, Greenbelt Road, and Kenilworth Avenue, for a regional shopping center; and a 32.9 parcel on the east side of the Capital Beltway, fronting on Greenbelt Road, adjacent to the American Legion Post home for apartments.

Attorney for the petitioners is Ralph Powers, former city solicitor, who recently accepted a judgeship on the Circuit Court.

No date for a hearing was indicated. The planning commission will consider the city's recommendation in its own recommendation to the county commissioners, who make the final decision. City manager Charles McDonald stated that Webb and Knapp is in the process of selling this property, purchased two years ago from the Warner-Kanter group. Greenbelt Homes, Inc. bought the land from the federal government and sold it to Warner-Kanter.

Another petition by the Webb and Knapp group to the Circuit Court requested abandonment of a record plat involving an extension of the Lakeside subdivision. This request was made, according to the realtors, in order to substitute another plat which would enlarge the proposed extension and make the necessary conforming changes in roadways and utilities. Council members expressed concern lest the subdivision plat be discarded without adopting the substitute plat, thus leaving the land available for more intensive rezoning. Denial of the abandonment was recommended by council unless guarantees were provided that the substitute subdivision previously revised and accepted by the council would be recorded in its place. McDonald assured the council that the court's decision will be sufficient guarantee.

National Guard to Hold Open House on Sunday

The Greenbelt Maryland National Guard unit is holding an open house on Sunday, Oct. 9, from 7 to 9 p.m. The open house is open to the public, free of charge, and will take place at the National Guard Armory in Greenbelt.

The purpose of the open house is to promote a better understanding between the people in and around Greenbelt and the military mission which the Greenbelt unit is to carry out. The unit is a medium artillery battery and a part of the 29th Division. Military equipment used by the battery will be on display.

A highlight of the entertainment will be a concert by the Second United States Army Band under the direction of CWO Robert O. Nelson.

LABORIOUS JOB

To the Editor:

I wish to take this opportunity to publicly thank all those who assisted the Lions and Jaycee Clubs of Greenbelt in the "behind the scenes" work that went into our recent voter registration drive.

For meeting space, equipment, supplies and records borrowed, a vote of thanks to the City Manager, Co-op Service Station, Community Church, Democratic Club, Fire Department, G.H.L., Police Department, Republican Club and registration officials of this precinct.

In the laborious job of compiling the necessary detailed information which makes such an undertaking a success, we of the Lions and Jaycees wish to extend our warm appreciation and thanks to the following groups. First to the Boy Scouts of Troop No. 746 whose services were at our disposal for the past week and secondly to the Democratic Club for manpower, provided through the graciousness of Mrs. Hilda Lastner, that so ably assisted us to the "wee" hours of Saturday morning in our final big push.

To the Lastners, Alan Kistler, Hal Silvers and Bud Dean, my personal thanks for a job superbly done.

The increase of over 900 registrations in the last three weeks attests to the fact that this was a community effort of which all can be justly proud. It is my firm belief that projects, such as this one was, are the greatest moving force to insure that this nation can remain a free democracy "of the people, by the people, and for the people."

My sincerest thanks,
David C. Champion

CONGRATULATIONS

To the Editor:

I want to take this opportunity to congratulate the people of Greenbelt in taking advantage of the 3 days recently offered them to register. The Supervisors of Elections Office informed me that Greenbelt registration on each of these days led all other 66 precincts in the county.

The officers of the Greenbelt Democratic Club wish to commend the Junior Chamber of Commerce and the Lions Club for the excellent job they did in this registration program.

Greenbelt has always been a community that shows a good voting record and with this registration I am confident it will again be at the top on Nov. 8.

Thanks also go to the members of our Democratic Club who cooperated with all who were concerned in the program; namely, Alan Kistler, Edgar Smith, Walter Dean, Hal Silvers, Frank Gonda, James Wolf, Fran and Jerry Arnold and others.

Frank J. Lastner, President
Greenbelt Democratic Club

Junior Hi-Lites

By Debi Wyatt

Probably the biggest event taking place at Greenbelt Junior High School now is the campaign leading up to the proposed mock election. This is a project conducted largely by the 9th grade Core classes. The procedure will be the same as on the national level. Registration will be held followed by a rally complete with party speakers and controlled demonstrations. The voting will be done by the system of the Electoral College. Each 7th grade Core section has ten electoral votes, each 8th grade section has 20 electoral votes, and each 9th grade section has 30 electoral votes. This project has generated enthusiasm in the student body, and we hope it will be a real success.

With school well underway many of the clubs have been started. Last week FHA (Future Homemakers of America), FTA (Future Teachers of America), Hi-Y, Tri-Hi-Y and Student Council were started. The Bear News and cheerleaders were started earlier in the year.

If you happened to visit GJHS last Wednesday and Thursday, you would have seen girls walking around with pigtailed all over their head tied in red and white ribbon and wearing odd shoes with one red and one white sock. This was the annual FHA initiation. The girls were not allowed to talk except when the teacher called on them. All this and much more was required by the girls wishing to become members of the FHA. All the girls made it.

Your new Princess phone is styled with modern simplicity to harmonize with any room in your home. Its crisp dash of color glamorizes your home, too. Choose from white, beige, pink, blue or turquoise.

It's little . . . it's lovely . . . it lights . . . and it's *low cost!* After a nominal one-time charge, you can have your Princess phone for a small monthly cost.
