Day Camp Registration

Summer day camp registration for Greenbelt children between the ages of 7 and 12 will be held at the Youth Center on Monday, June 18, at 9 a.m. Registration fees are \$3.00 per child or \$6.00 per family. A health statement signed by a physician must accompany each application with any limitations noted. (Certificate must be received by June 25).

Two camps will be held daily. The morning camp will run from 8:30 to 12 noon. The afternoon camp will run from 1 to 4:30 p.m. Thirty children will be allowed to register for each camp, on a first come, first serve basis.

Our day camp program will be characterized by an out-of-door setting, standard camp activities, experience in small group interaction under adult leadership, and healthful living. To sum it up — fun, adventure, and new experiences as a result of outdoor living. Rainy day programs will be held under shelter, and consist of social games, quiet games, table games, crafts, story telling, and singing.

Police News

A nineteen-year old mentally retarded Greenbelt youth was charged with assault on a seven-year old Greenbelt girl. The youth had been in a wooded area with the girl and was stopped when other children appeared in the area.

A four-year old boy, who was playing near the underpass at Crescent and Gardenway, toppled over the underpass bridge and was taken to the hospital. The incident was reported to Police with the added information that the child suffered fractures of the leg and thigh.

A resident of Ridge Rd. complained to police that air had been let out of his car tires.

Three children were reported to have taken overdoses last week. One of the children, a three-year old boy, was reported to have swallowed from 30 to 50 baby aspirins. Another child, a seventeen-month old girl, was reported to have swallowed some adult aspirins.

A resident reported a suspicious person, wearing a green knit shirt, khaki trousers and no shoes, walking along Crescent Road at about 6:15 a.m. last Sunday morning. When questioned by police, the man stated that he was on his way to Baltimore. He was helped on his journey by a police escort to the nearest bus stop.

Teen Theater Forming

The life of a Greenbelt teenager can be filled with drama — at least, if our new Recreation Director has his way. Director James A. Wooldridge has announced that a Teen Theater will be formed June 20 at 10 a.m. sharp at the Youth Center. Everyone between 13 and 18 years of age is urged to attend this first meeting.

Teen Theater is open to anyone with an interest in the drama. Acting experience is not necessary. The activities will include the presentation of skits, pantomimes, and plays. Said Wooldridge, "Creative dramatics is informal, it's fun, it's re-creation in the true sense of the word."

Register for Swim Classes

Registration for swimming lessons will take place on June 25 at 8:30 a.m. at the Youth Center.

City Council Proclaims June Charter Month

The city council has proclaimed June 1962 as "Charter Month", as part of the Silver Anniversary of the City of Greenbelt. Twenty-five years ago, the Maryland General Assembly passed House Bill No. 365 to incorporate the town of Greenbelt. It became effective on June 1, 1937, with the signature of Governor Harry W. Nice.

A later act of the Maryland General Assembly amended the charter to change the designation of the "Town of Greenbelt" to the "City of Greenbelt," effective June 1, 1949, when it was signed by Governor Preston Lane.

Council Adopts New Budget

The city council on June 7 adopted for final passage the \$316,385 budget for 1962-63, calling for a real property tax rate of \$1.50 per \$100 assessed valuation. No changes were made in the budget as approved for first reading. The 27-cent cut from last year's rate of \$1.77 is attributed to three factors: (1) an increase of \$567,240 in the assessable tax base; (2) an estimated increase of \$5,700 in revenues from sources other than real property taxes; and (3) increased amounts allocated from surplus.

Police Chief

Last-minute addition to the city council's agenda for Monday night is the job description of the new police chief. This post is being vacated by James Williams as of June 15. The Personnel Board has recommended the following qualifications: a high school education and at least five years prior experience in police work.

Paving of Road Shoulders

Work is progressing on the pavement of road shoulders on Ridge Road between Southway and Crescent, to provide additional parking spaces. The base coat has already been installed, and the surface seal, using a mixture of asphalt spray and chips, will be completed within the next few days, weather permitting.

In addition, parking courts at 1 and 2 Gardenway, 14 Laurel Hill, 6 Hillside, and 2 Northway, will be repaved.

McDonald Named Yearbook Editor

Among four Maryland collegians who have been named to the 1962-1963 College Yearbook staff at Mount Saint Mary's College, Emmitsburg, Md., is Paul C. McDonald, son of Mr. and Mrs. Charles T. McDonald, 28 Woodland Way.

Paul, senior English major, has been named Editor-in-Chief of the 1963 Pridwin yearbook. He is a member of the Alpha Rho Chapter of Lambda Iota Tau, the international collegiate honor society for students of English and foreign literature, and a graduate of DeMatha Catholic High School, Hyattsville.

Break Ground June 30

Ground-breaking ceremonies for the Spring Lake subdivision will be held on Wednesday, June 20. The grading of the roads in the new development has already been completed.

AGENDA

REGULAR MEETING

Council of the City of Greenbelt, Maryland

June 18, 1962

1. Meeting called to order
2. Roll call.
3. Minutes of Regular and Special meetings held.
4. Petitions and Requests.
5. Requests of Councilmen for additions to agenda.
6. Written Communications.
7. Manager's Progress Report.
8. Committee Reports.
9. Ordinance - Appropriate funds from Surplus. (Auditors)
10. Ordinance - Change Bus Schedule.
11. Discussion of sidewalks in new subdivision.
12. Approve overtime for acting City Clerk.
13. Council committee report on insurance bidding.
14. Consider Job Description for Police Chief.

Peacewalkers Here

The final night of a nine-week walk for peace, sponsored by the New England Committee for Non-violent Action, will be spent in Greenbelt, June 21. More than 20 walkers are expected.

At 8 p.m. the walkers will hold a public meeting in the Social Hall of Greenbelt Community Church. Everyone is invited to hear why they are walking and discuss the pros and cons of their program for solving international conflict without the use or threat of violence. Last year the Committee for Nonviolent Action sponsored a 10-month walk from San Francisco to Moscow, in fulfillment of their pledge to "tell it to the Russians."

Preceding the June 21 meeting, the walkers will have dinner in groups of two or three as guests of local families. Mowatt Methodist Church is providing sleeping accommodations for the group.

On June 22 the walk, which started in Hanover, N. H., on April 21, will converge in Washington, with walks from Nashville and Chicago. All the walkers will meet at the White House at noon for a vigil, followed by a public meeting at a place to be announced.

Special Meeting

All residents of the Greenbelt area who would like to sit in on a review of the proposed plans for the new CO-OP supermarket — to be built on the site of the former store which burned to the ground April 11 — are invited to attend a meeting in the CO-OP Hospitality Room over the theatre on Monday night, June 18, at 8 p.m.

George Adams, chairman of the Greenbelt area delegation of the CO-OP, and Benjamin Rosenzweig, president of Greenbelt Consumer Services, Inc., which operates the CO-OP, will be present at the meeting to answer questions and receive suggestions.

Robert E. Morrow, acting general manager of the CO-OP will also be present.

Local Students Win Honors At Graduation Exercises

Young Volunteer Wins Firemen's Scholarship

Thomas Klem

Thomas Klem, son of Mr. and Mrs. Justin Klem, 6-D Hillside, at "Senior Night" assembly at High Point High School was presented with a scholarship (Grant-in-Aid) for the 4 year course in FIRE PROTECTION ENGINEERING at the University of Maryland by the Prince George's County Volunteer Firemen's Association.

The County Fire Association is one of many such volunteer groups in the State which wisely invest in the future of fire protection by awarding scholarships to promising students. The opportunities for graduates of this engineering course are in great demand: to name a few — development and manufacturing of fire fighting and protection equipment; the fire insurance field; national and state fire underwriters rating bureaus; fire department training; plant fire protection; fire administration; and others.

The nominees, after having passed for full admittance to the College of Engineering, also had to have three letters of recommendation. The Greenbelt Volunteer Fire Dept. recommended Tommy to the County Association. In part the letter stated: "His performance, conduct and interest in the Department and it's related activities would serve as a model for any young fireman".

High Point Seniors Hold Baccalaureate

Three seniors gave the Baccalaureate address for 418 seniors of High Point High School on Sunday, June 10 in the school gymnasium at 8 p.m. Using the theme "Observe, Judge, Act" Robert Jackson, son of Mr. and Mrs. Stanley B. Jackson of Takoma Park, gave the opening address on observation followed by Epp A. Laane, daughter of Mr. and Mrs. Joseph Laane of Greenbelt, giving the second speech. Robert J. Fink, son of Mr. and Mrs. Lawrence Fink of Greenbelt, gave the last talk. Allan I. Chotiner, principal, gave the welcoming address to parents and guests of the graduates.

Senior Class President, Charles P. Hybarger, gave the introduction which had been preceded by the Invocation by Thomas S. Wyatt, senior who, as Class Chaplain, gave the benediction. Seniors Carol J. Rockwell, daughter of Mr. and Mrs. Robert Rockwell of College Park, and Donna Jean Evans, daughter of Mr. and Mrs. Milton Evans of Greenbelt, gave two solo numbers. Donna Jean sang Rogers-Hammersteins "You'll Never Walk Alone".

City Employees Fete Chief Jim Williams

Popular Chief of Police James Williams, retiring from his post this week, was honored by city employees at a farewell luncheon at the Holiday Inn on Wednesday, June 12. A traveling kit was presented to Williams as a going-away present.

Mrs. Winfield McCamy, Greenbelt's City Clerk for many years,

Local Honor Winners At High Point High

On Thursday evening, June 7 in the High Point gymnasium over fifty seniors were presented awards for their achievements and accomplishments during the four years at High Point. Allan I. Chotiner, principal, made the opening remarks regarding the outstanding group of young men and women and introduced guests from various organizations who presented their club awards to the graduates.

For their outstanding scholarship, leadership, and honor, Epp Laane and Robert Fink, both of Greenbelt, were given the American Legion Award by William Thomas and returned to the stage to receive the Superintendent's Award for Scholarship, Leadership, and Service. Epp Laane also received the Annual Bausch and Lomb Science Award for Outstanding Competencies in Science.

Lenore Algaze, Greenbelt, Shirley Busey, Adelphi, and Terry Shumaker, College Park, were presented the College Park American Legion Auxiliary Essay Awards by Mrs. Thomas Griashamer.

The High Point Thespian Society, Honorary Dramatics Club, bestowed their honors on Donna Burton, Takoma Park and Thomas Ritchie, Greenbelt.

Certificates of Honor given by the Westinghouse Science Talent Search were conferred upon Mona Dickson, College Park and Alexis Pogorelskin, Greenbelt, both of whom had received senior awards.

Eight seniors were presented Achievement Letter Awards, including Imogene Haber and Frances Bukzin both of Greenbelt. Tom Hieber was given the Strayer College Typewriting Contest honor and Carol Ann Hoff, one of five finalists for the State of Maryland, was given the Betty Crocker Homememaker of the Year Award at High Point.

National Merit Scholarship Awards Finalists were announced, including Tom Ritchie and Lenore Algaze.

For their superior performance in the National Merit Scholarship nine students were accorded honors, including Wendy Baron, Carol Chiville, and Alexis Pogorelskin. The National Honor Society Citizenship Award went to Mary G. McGlethlin.

High Point Students Receive Scholarship

Thirty-two High Point graduates received scholarships to universities and colleges locally and throughout the United States. "We are sincerely and intensely proud of these students who have brought honor to themselves, their parents, and their school", said Principal Allen I. Chotiner.

Those receiving scholarships from local organizations and individuals were: Elaine Fields, Greenbelt Lions Club, and Evelyn Saunders, Prince Georges Medical Society Scholarship.

Many graduates received scholarships to universities and colleges. Those who have accepted at the following institutions include Epp Laane, four years, George Washington University; Alexis Pogorelskin, Alumna Regional Scholarship for Region III, Byrn Mawr; Wendy Baron, Reed College; Sandra Bowman, Greenbelt Women's Club and MacCalaster College; Thomas Klem, four years, University of Maryland; and Theresa Thomson, Washington, D. C. Beauty Academy.

contributed the centerpiece, a small wind-up police car. Attached to the toy was a card bearing a message to the effect that no one wanted Chief Williams to grow nostalgic for the pleasures (and headaches) of looking after a police car.

Mrs. McCamy urged all her fellow-guests to resign from the city forces, and thus make more such parties possible. She said, "Why don't we do this more often?"

On Elderly Housing

To the Editor:

It was my privilege to serve on the Advisory Committee of GHI to study the feasibility of Housing for the Elderly. Just as many of my fellow members have or had doubts and fears about this project, so I too had many doubts and fears and questions.

Some of the questions raised by me and other members of the Committee were: "Was this in keeping with the philosophy and objectives of GHI?" "Was this legal under the charter and by-laws of the Corporation?" "Was this economically feasible with minimum financial loss to GHI members?"

As these and other questions were taken up one by one, by our study plus advice of legal counsel, the fears and doubts were dispelled. (The report spells out all details and has been sent to all GHI members, and is available to non-members upon request.) The gains to each of us and to our community are manifold:

1. First, this is an act of good faith to and for our older fellow citizens. The philosophy of our society has emphasized youth and by-passed our elders. We must show our elderly neighbors, friends, parents and grandparents that we respect their efforts as productive citizens. One way to do this is to make available to them decent housing at reasonable cost that is non-charitable and built for their special needs.

2. The advances in science and medicine are lengthening the life span of all of us. What trends are set today will be the pattern of tomorrow. We will be the recipients then. Right now, we should be a little worried about what we might receive if we don't act now!

3. This would be a demonstration project in line with the concept of Greenbelt as a "complete community." In the past, people have visited and still visit Greenbelt as an outstanding example of a democratic, well-planned, complete community. Just as Greenbelt was a vision pushed to reality by faith, so this vision too, can be pushed to reality by our faith and set a precedent throughout the nation.

I earnestly hope that all GHI members exercise their right to vote, and in so doing are guided by their faith rather than by their fears.

Rose G. Amberg

A Devoted Servant

Many people have come and gone in the past 16½ years from Greenbelt, but one "young" man has stayed and faithfully devoted practically all his time and effort to promoting the interests and welfare of the citizens of Greenbelt. It is true, that he has been employed by the City of Greenbelt for all these years, but his capacities and abilities have been used much more to Greenbelt's advantage than what should be or could be expected from him in his normal tour of duty. Especially interested in children and in community affairs, he helped organize the School Patrols, and is one of its mainstays at the present time. Civic events, such as parades, etc. would never have been possible without him. In his tour of duty his firm approach has been tempered with consideration. Now Greenbelt has an opportunity to do something for this individual. Sergeant Austin Green should be in line for consideration for the post vacated by Police Chief James Williams.

For a police officer in the City of Greenbelt, it is more important to know how to deal with people than to be required to have a college degree or a formal education. Sergeant Green has demonstrated his abilities by doing a fine job as long as he has been associated with the City of Greenbelt.

ANTHONY M. MADDEN on

"Best Buys" in Life Insurance

No such thing? Just ask any veteran who wisely kept up payments on his G.I. policy. Or, take a look at the group life insurance your employer offers. For the money, these are mighty hard values to beat. How about individual policies? They're all excellent buys—when they give you the right combination of protection and savings, and allow you to change this combination later on, if your needs change. For one thing, I'd suggest you deal with an agent who wants you as a long-term client—and speak with him frankly about your financial set-up. For another, do some comparison shopping,

too. Enough life insurance can be a sizable item in your budget, and it's well worth knowing its principles—how it works, and why. If you'd like to know about Nationwide's life insurance plans, about our "quantity discounts," new dividend schedule, and other outstanding features, I'll be glad to give you the facts.

Our Neighbors

Elaine Skolnik - Granite 4-6060
A very happy birthday to Nancy Parker, 12 Greendale, who was five years old June 10.

Sgt. and Mrs. Norman Petersen, 47-D Ridge, were hosts at an outdoor buffet-dinner last Saturday afternoon honoring Mrs. Robert Johnson and sons Robert and Michael, who will be leaving Greenbelt after 12 years residence. Mr. Johnson is already at work with NASA in Cape Canaveral. Guests were Mr. and Mrs. James Allen, the Biebe family, Mr. and Mrs. Carl Coppoch and Mr. and Mrs. Phillips Stitt, all of the 47 Court of Ridge.

Donald E. Jefferson, 62-B Ridge, received his B.A. degree cum laude from the College of Arts and Sciences at the 48th Commencement of the American University on Sunday, June 10. Donald was among twenty-five to be graduated with honors from the University.

Pvt. Terrence C. Murray, USMC, son of Mr. and Mrs. John P. Murray of 6-N Hillside, completed recruit training on May 17, at the Marine Corps Recruit Depot, Parris Island, S. C. The training includes drill, bayonet training, physical conditioning, parades and ceremonies and other military subjects. Three weeks are spent on the rifle range, where the recruit fires the M-14 rifle and receives instruction in other basic marine infantry weapons.

Donald Nicholson, age 11, 2-H Westway, qualified Saturday night for the National Roller Racing Meet to be held in Chicago during the week of July 15. The Virginia, Maryland and Washington area Meet was held June 12 and 13 in Alexandria. Donald came in third and was presented with a bronze trophy.

Last Friday's 5-table duplicate bridge session saw Elsie Holtzclaw team up with Pat Savage to emerge victorious, 1 1/2 points ahead of runners-up Sid Barnett and Jack Sanders. Third place went to Lee and Larry Fink. Next game: Friday, June 22.

A very happy birthday to Angel Ann Belt, 4-A Gardenway, who celebrated her fourth birthday.

Congratulations to High Point graduate Elaine Fields, 56-D Crescent, who received the Greenbelt Lion's Club scholarship award of \$800. Elaine will attend the University of Maryland.

It's a girl for Mr. and Mrs. Thomas Schlereth, 7-L Southway. Sharon Anne, a first child, made her debut on May 31, weighing 6 lbs., 7 oz.

When Jerry Fontaine, 9 Greendale, informed my reporter at North End School that he was celebrating his seventh birthday, he didn't mention the fact that he had a twin brother. Please accept our apologies, Jeff, for omitting your name last week, and we want to wish you a very, very happy birthday, too.

Best wishes for a happy birthday to kindergartner, Scott Holzclaw, 122 Greenhill, who will be six years old on June 19.

Happy birthday to Nikki Constantinos, 11-K Laurel, who is four years old.

Homeroom mothers, librarians, and parent helpers were honored at a tea held at North End School last week.

Happy-happy birthday to Karen Goldstein, 56-C Ridge, who is five years old.

Our deepest sympathy to Helen Chasanow, 56 Lakeside, who lost her father last week.

Mrs. Else Varmer, 23-D Ridge, and Mrs. Ruth Morris, 23-E Ridge are back home after three exciting weeks abroad. Else spent every moment with relatives and friends in Koge, Denmark, a little town outside Copenhagen. Visiting at the same time was Else's sister, who resides in Africa. They hadn't seen each other for ten years. Ruth enjoyed her stay with Else's family. She marvelled at the spic and span appearance of Denmark, the beautiful countryside, the brilliant gardens chock full of flowers and the light nights. Spring had just begun in Denmark. After a little more than a week in Koge, Ruth boarded a train that took her through central Germany and Switzerland and down to Rome where she visited her daughter Carol, who is studying in Rome. (Carol will sail for home on the twenty-sixth). To cross the Baltic Sea, the whole train slid into the hull of a ship which ferried them across the sea - "a most unusual experience," says Ruth.

Greenbelt patrols were treated to a trip to Andrews Air Force Base. They enjoyed the parachute shop where they watched the men and women assembling the parachutes. Their guide pointed out the many different types of airplanes on the fields. The youngsters boarded a plane and went three at a time into the cockpit taking turns sitting in the pilots' seats. Especially fascinating to the group were the jet runway and the firemen's training room. An exciting moment was the viewing of the plane that brought President Kennedy back from West Point - unfortunately, President Kennedy had already left the plane. (My daughter, Rita, a member of the patrols, is looking over my shoulder now making sure that I've quoted her correctly. She finds one error - I forgot to mention lunch!)

Volunteer Firemen Annual Convention

More than 400 Prince George's County firemen, plus many of their wives, are scheduled to attend the 70th Annual Convention of the Maryland State Volunteer Firemen's Association in Hagerstown on June 27, 28 and 29.

Delegates from Greenbelt V.F.D. & R. S. who will attend the convention are: W. V. Dutton, Marshall, Zoellner, Jack Snoddy, J. Paul Williams, Bob Mogel, Jack Swisher, Jim Bordas, Chas. Jones, and Paul Rousseau. The Ladies Auxiliary representatives will be Pat Jones, Cleo Dutton, Peg Baldwin, Jane Hunt, and Fran Wiser.

Greenbelt will enter a Fire Prevention Float for the Governor's Trophy. Grace Smith and Rita Fisher will be adding the ladies' touch to the float after the men do the hammer and saw work.

A blouse, made by a member of the Ladies Auxiliary and bearing a Fire Prevention theme, will also be submitted in a contest being sponsored by the State Ladies Auxiliary as part of Convention activities.

More than 3,000 Firemen and Auxiliary members are expected at the three-day affair.

Some of the social events which have been scheduled during the convention are an officers' banquet on Tuesday evening preceding the convention, a picnic and other events for the Ladies Auxiliary, a variety show from New York, a smorgasbord followed by a square dance and a tour of the Antietam Battlefield. A grand parade is scheduled for Friday, starting promptly at 2:30 p.m.

Little League Chatter

by Bud Dean

The Little League ended the first half of a successful season and now pauses to look back on some fine games and hard play by the youngsters. In the National League the D.A.V. Tigers are leading with the Indians and Lions in hot pursuit.

In the American League it is dog eat dog - with Pepsi Cola Athletics tied with G.H.I. Giants, and breathing hard down their necks are the Jim Lemon All-Stars.

MONDAY - The Pepsi Cola Athletics and the Jim Lemon All-Stars

hooked up in another cliffhanger. With Childers tossing for J. L. and Sillaman and Kiskosy going for the A's this game produced everything you would like to see in a ballgame . . . Fine fielding plays, long ball hitting by Thompson of J. L. who hit two homers, and a real tight defense by both teams. The Athletics took the lead only to lose it on Thompson's 2-run homer. From then until evening waned into night the lead changed hands in a seesaw battle when it was called in the 9th account of darkness. Pepsi Cola Athletics, 8 - Jim Lemon All-Stars, 8.

TUESDAY - Rained out

WEDNESDAY - Gordon Wayne, just out of the hospital, returned to the Indians and showed he had

lost none of his skill by striking out 12 men in carrying the Indians to a 11 to 3 win over the American Legion Cardinals. Indians, 11 - American Legion Cardinals, 3.

THURSDAY

With D. Sparks taking the mound for the Pepsi Cola Athletics against Perry of Co-Ops, Sparks tossed a 3-hitter to notch his first win of the year as the Athletics kept in the pennant fight downing Co-Ops. Pepsi Cola Athletics, 6 - Co-Ops, 2.

Because of school activities there were no games Friday or Saturday. Next Wednesday is also a day off because of school activities.

Majorettes Compete

Three Greenbelt Majorettes, sponsored by the Greenbelt Vol. F.D. & R.S., won second place in the Senior Corps Division at the Maryland State Baton Twirling Contest held Saturday, June 9, in Baltimore. Taking first place were the College Park Majorettes, the National Champions.

Three Greenbelt girls won awards in individual competition. Peggy Hyland, co-captain of the Majorettes, placed first in Intermediate solos. In the Novice Solo division, first place was won by Dolores Reynolds and second place went to Dolores Merritt.

Karen is just like any other working girl—salary is mighty important to her. This is one big reason why she enjoys being a Telephone Operator. Karen hasn't been with the Telephone Company long. And she started at a good salary. But this raise is just the first advancement for her. Of course, there's much more to being a Telephone Operator than good salary. Every call Karen takes is a new experience. And she gets the warm satisfaction of knowing people depend on her.

We'll be following Karen's career in the weeks to come. You'll see her meet the challenge of an interesting job in a modern, vital industry serving the people of her community—and yours. And, if you have the feeling that Karen and you have a lot in common, why not see about becoming a Telephone Operator yourself? Our job counselors are located at the Employment Office, 725 13th Street, N. W. (between G and H Streets). And there's nothing these ladies like better than chatting with girls like you.

THE **C & P** TELEPHONE COMPANY OF MARYLAND
