Council Considers 10% Salary Hike for Police

by Al Skolnik

In the first of a series of budget meetings with department heads, the council on Tuesday, April 10, reviewed police department expenditure requests for the coming fiscal year 1973-74. Engendering the most discussion was a proposed 10% salary increase for police officers with a 5% increase proposed for police clerks and the rest of the city staff.

City manager James K. Giese and police chief William Lane stated that the 10% increase was needed to keep Greenbelt salary levels comparative to those paid by other jurisdictions. A table was produced which showed that the starting salary for Greenbelt patrolmen was \$8,507 per year, compared with \$9,877 in Prince Georges county and \$9,111 in Laurel.

Mayor Richard Pilski said that what bothered him was how one could justify the differential in increases between policemen and other city employees. Giese replied that if the salary scales are not kept competitive, the city will face a real problem in recruiting officers without lowering standards.

Several council members observed that it is difficult to compare jurisdictions unless one also knew what other benefits were being provided such as overtime, health insurance, etc. Giese was asked to make a comparison of the total fringe and regular pay package and for a few additional nearby municipalities such as Takoma Park, Hyattsville and Bladensburg.

Councilwoman Elizabeth Maffay speculated whether the police department was overstaffed. The present size of the department for Greenbelt's 18,000 people is 18, with one additional police officer being proposed. She noted that the usual formula is one police officer per 1,000 population, but thought allowance ought to be made for Greenbelt being a low-crime area.

Chief Lane in reply stressed that many of the police department's activities such as registering bikes, keeping a watch on empty houses, etc. are directed at preventing crime and implied that Greenbelt's low rate may be due to such vigilance.

Giese noted that the additional police officer being proposed will be funded under the Federal Public Employment Program (PEP), so that the tax rate will not be affected by the addition. This program provides Federal funds under the Emergency Employment Act for the employment of veterans or persons who have been unemployed for more than three weeks.

In addition to personnel expenditures, the new budget contemplates the replacement of two police squad cars and purchase of a portable radio, criminal investigation camera, and fingerprint comparator.

Boys'-Girls' Club News

Wednesday, April 25, from 6 - 8 p.m., at the Greenbelt Youth Center is the final date of the extended annual registration for membership. All boys and girls, ages 11 through 17, who wish to play softball and baseball this season must sign up by the above date or will have to pay a late registration fee in addition to regular membership fee.

It is important to note that the Prince Georges County Boys Club board on April 12 ruled that any girl or boy who is currently a member of any organized softball or baseball team, e.g., C.Y.O., junior high, etc., is eligible to participate in the P.G. County leagues but must be entered on original Boys and Girls Club rosters.

AGENDA REGULAR MEETING OF CITY COUNCIL Monday, April 23, 1973 8:00 P.M.

Partridgeberry Benefit

To raise funds for educational materials, Partridgeberry School will sponsor a yard sale, April 21, 10 to 3 at 21-J Ridge Road. A two year old alternative school for kindergartners through second graders, Partridgeberry is located in Greenbelt, Md. The school plans to accept up to 4th graders for the 1974 school year. Partridgeberry is a parent cooperative and operates on an open classroom basis.

U. of Md. Workshop

A workshop discussing tips of Resume Preparation & Interview Techniques for University of Maryland students looking for a job will be held on Tuesday, April 24, at 7 p.m. in the Greenbelt Public Library. This program is jointly sponsored by the Career Development Center and the Office of Commuter Affairs of the University of Maryland.

A limited number of non-university students may participate. For additional information contact Ms. Nuss at 454-2813.

Charlestowne Homeowners Get Organized, Choose Joan Gleckel as Head

by Diane Kritt

The Charlestowne Village Council of Co-Owners held its first annual meeting and election on April 10 in the Charlestowne North party room. From a field of eleven candidates, the council elected as its Board of Directors Joan Gleckel, Ricardo Fagnani, Charles Marquardt, Earle Amey, and John Breyer. The first three received the largest number of votes and will serve three-year terms, while Amey and Breyer will serve for two years.

The new board met on April 13 and elected its officers: president, Joan Gleckel; vice president, Earle Amey; treasurer, Rick Fagnani; secretary, Charles Marquardt. The board found that its first order of business was to consider a proposed budget of \$83,352 for fiscal 1973-74. It is in the process of reviewing contracts and needs before taking action. The directors are attempting to obtain a detailed breakdown of past expenses from the management company.

The board also found that one of its earliest duties will be to identify the most pressing needs and priorities in the opinion of the membership. Among these will be overall plans for land use and a close look at expenditures vs. returns. The board has decided to hold monthly meetings open to the membership and to encourage residents of each building to send a representative to its meetings.

The annual meeting on April 10 brought an excellent turnout, with about 175 attending, according to the management. There are 165 units in the Village. Peter Larkin, of the nominating committee, commented on the enthusiastic response to the election which, he said, indicates that the condominium has made a fine start as a cohesive community.

The nominating committee, with Robert Porteous as chairman, had been formed at a special meeting of the council (which consists of the 165 owners of units) on March 22. The committee sponsored a Meet the Candidates Evening on April 8 and also served as election supervisors. Four of its five nominees were elected.

The new board takes over from a board consisting of officers of Bresler & Reiner Inc., which owned the condominium when it was formed in April 1972. The project continues to be managed by Town Center Management Corporation under a two-year contract.

Twin Pines Meeting

A general informational meeting for Twin Pines members will be held on Thursday, April 26, at 8 p.m. in the Greenbelt Municipal Building. A complete report will be made on the status of account insurance, related issues, and other matters of interest to Twin Pines members.

National Priorities

The third in a series of meetings on National Priorities and Your Tax Dollars - Military Spending vs. Domestic Needs, will be held Thursday, April 26 at 8 p.m. at the Student Union of the University of Maryland, room 1150.

WHAT GOES ON

- Sat., April 21 8 a.m. - 1 p.m. Round Robin Tennis Tournament - Braden Field
- Monday, April 23 - 8 p.m. City Council meets, Municipal Building
- 8 p.m. Day Care Center Meeting, Municipal Building
- Tuesday, April 24 - 8 p.m. Recreation Budget Review, Municipal Building

GHI Board Gets Financial And Engineering Reports

by Sid Kastner

Arrangements for the annual membership meeting, now slated for May 16, were firmed up at the Greenbelt Homes, Inc. board's regular meeting on April 12. The board also heard the staff's presentation of the 1972 operating statements and reserve allocations. Some other items considered had to do with plans for the projected structural renovation.

The annual meeting will be held at Center School, with voting to take place on the same evening and on the next day. Voting machines, either rented or borrowed from the county school board, will be used according to Alex Chavrid of the Nominations and Elections committee. In reply to a question from a board member, Chavrid said that possibly a "Candidate's Night" might be held in advance, to permit members to become acquainted with the candidates. The By-laws committee is also busy, at this time, drawing up and clarifying the proposed by-laws changes to be presented to the members at the meeting; Mat Amberg of the committee asked for a joint meeting soon with the board, to discuss these items. Details of the election are given in a separate article elsewhere in this issue.

Financial Report

As summarized in the March 29 issue of the News Review, the corporation's receipts in 1972 exceeded its expenditures by \$90,800, according to the financial statement released by comptroller Donald McGinn. He and manager Breashears also presented a proposal for allocations to the various reserve funds, at Thursday's meeting. These reserves are set up separately for the brick, frame and new homes; and for each group of homes they are divided into the categories of heating, maintenance, contingency, taxes and capital improvement loans.

According to the staff's proposals, the frame home reserves for 1972 will be increased by \$55,000 over the 1971 figure, while the brick home reserves would decrease by about \$2,000; the over-all increase in reserves, from 1971 to 1972, will be \$63,000. The actual total reserve figure, at the end of 1972, was \$422,000, while a net addition of \$30,000 proposed since then brings the figure to \$452,000 as of March 31.

GREENBELTER 12TH IN BOSTON MARATHON

On April 16 Jack Mahurin, Ridge Road, a graduate student at the University of Maryland, studying appropriately enough exercise physiology, placed 12th in the Boston Marathon with a time of 2:25:31. This is by far the best performance ever of a Greenbelter and Mahurin led all Washington metropolitan area finishers this year. Three other Greenbelters finished the marathon; Bob Harper, Woodland Way 256 position in 3:01:11; Bob O'Brien, Lakeside North, 267 in 3:02:09 and Alex Barnes of Laurel Hill, 435th in 3:14:24. The weather was too warm for fast times and many of the 1,384 starters dropped out.

On April 14 in Greenbelt Regional Park, a Greenbelt sponsored 5 mile handicap race was held with the fastest runners starting later with the largest time handicap to overcome. Forty runners were in the 5 mile won by Bernard Herring in 31:21 (10 min.). Greenbelters who finished were 9th, John Noel 3153 (15 min.); Hugh Jascourt 19th, 3347 (15 min.); Milton Greenbaum 23rd, 31:18 (18 min.) and Jason Page 27th, 31:39 (18 min.). All Greenbelter finishers receive trophies.

Golden Agers Birthday

On Wednesday, April 25, the Greenbelt Golden Age Club will observe its 16th birthday. The club was started by Carrie Hall who was to be honored, but Mrs. Hall passed away on April 11. Mr. "Pop" Cipriano is hosting the birthday celebration. The Club has as special guests Mayor Pilski and Mrs. Pilski and County Councilman Francis White and Mrs. White. This party is also to honor the memory of Mr. & Mrs. Hall in whose home and by whom the club was started. There are currently more than 200 members. "Pop" Cipriano is 96 years young, and the Golden Agers salute our very genial host.

Among these reserve categories is a fund consisting of the profits on the corporation's purchase and resale of homes, now amounting to \$17,100. Gordon Allen of the Audit committee questioned whether such a revolving fund is properly authorized under the by-laws, urging that the board should check this out with the corporation counsel. Directors Tom White and Nat Shinderman saw no difficulty with the present arrangement, however.

Engineering Report

The engineering report of W. N. Meyer and Associates, which was commissioned a month ago to provide data "showing the comparative owning and operating costs of oil vs. electrical heating for a ten and twenty year period, for the houses as presently constructed and for the houses when completely insulated," was presented to the board and referred to the Planning committee for evaluation.

The firm's report has compared (1) conversion of central plants to oil-fired hot water heating with (2) individual hot water plants for each building and also with (3) electrical heating, and recommends that the second alternative be explored. It advises holding off on insulating buildings and crawl spaces until repairs are made for other reasons. A meeting will be held with Meyer at the end of this month, to clarify the details.

Manager Breashears told the board that he and maintenance supervisor David Kane have gone over TAA's report on the roofs of the flat cinderblock homes (commissioned last October); the report suggests that complete replacement of the existing roofs should be undertaken, and Breashears recommended that it be approved so that TAA can then take the next step of drawing up actual specifications to be submitted to contractors for bids. On a motion by Director David Lange, the report was accordingly approved.

Hugh O'Donnell of the Planning subcommittee, which is presently examining steps to be taken for the proposed pilot project, asked the board for access to the staff's maintenance records, for the purpose of identifying problem areas. The manager told the board that under present policy he has had to turn down the request. Director Lange (a member of the parent Planning committee) suggested that the subcommittee could have brought the request to the parent committee; O'Donnell argued that it already had, and a difference of views became evident. Director Nat Shinderman, also on the Planning committee, essentially agreed with Lange in urging a joint meeting of the two committees to discuss the request. Another member of the Planning subcommittee, John Thomas, voiced distress at the amount of work that the subcommittee has to deal with, while at the same time acting through the Planning committee in order to communicate with the board. A joint meeting was however set up.

Near the end of the meeting Director White, speaking for the Finance committee, recommended two by-law changes to be proposed to the membership at the annual meeting. One would authorize a second audit within a given year to be of more limited scope than the main audit, as is already the case according to White; it could also be carried out at any time during the year. The other by-law change, more minor, would raise a \$500 figure for "Expenditure of Funds for Contracts," set about 15 years ago, to \$1000, a more realistic figure considering the decrease in the value of the dollar over that time.

Finally, Director Donald Volk informed the board that the annual House and Garden Tour has been set for May 6, and will involve about forty homes.

Safety in the Park

To the Editor:

Due to the fine weather last Sunday we visited the Lake Park, which was crowded with families having fun. As we sat in a clear area enjoying the local scene, my husband was hit in the leg by a hard baseball, which missed hitting a five year old child by about a foot. The ballplayers (from Lanham) apologized and resumed their play. Then my husband was hit a stunning blow on the head by the same ball, which could have injured a small child or killed a baby (of which there were several nearby). At this time, we noticed three baseball pitching and batting matches and two footballs being thrown on the slope beside the lake which was crowded with picknickers and small children. This (especially baseball) is very dangerous and should be prohibited from the picnic area. Perhaps the area below the dam or Braden Field could be reserved for ballplaying. Since the ballplayers seem to lack common sense and courtesy, the city should provide protection.

Regarding safety, fishermen should be sure to look behind them before casting, to avoid hooking a careless bystander on the backcast. They also should not crowd into another fisherman's territory, but wait until he or she leaves. This is considered good sportsmanship.

We also noticed several loose dogs in the picnic area and along the path (nothing more disgusting than dog feces to step or sit in), and people were riding motorcycles on the lake path, which was crowded with strollers and joggers. I hope extra police will be assigned to the lake area on weekends, and more signs posted to remind people of safety regulations.

S.W.T. Batra

Charlotte Berman

Charlotte Berman, resident of Greenbelt from 1957 to 1972 died April 13. The widow of the late Morris Berman, she was graduated from Hunter College and worked as a special reading teacher in the Prince Georges County School system. Previously, Mrs. Berman had taught in the Greenbelt Co-op Nursery School and the Town and Country School. She is survived by a daughter Louise and son, Harold. In her memory, a media fund has been set up in Highbridge and Meadowbrook Elementary Schools.

Mishkan Torah Meeting

The monthly meeting of the Mishkan Torah Sisterhood will be held on Thursday, April 26 at 8 p.m. The program, following the election of officers, will feature the Young Judea Dance Group who will present a special 25th Israel Anniversary program. Family and friends are welcome. Refreshments will be served.

PASSOVER SERVICES

Passover services at the Mishkan Torah will be held on Friday, April 20 at 8:30 p.m., Saturday, April 21, at 9:30 a.m., Monday, April 23, at 10:30 a.m., and Tuesday, April 24, at 9:30 a.m. Yizkor memorial prayers will be recited on Tuesday.

Greenbelt Homemakers

The regular monthly meeting of the Greenbelt Homemakers will be held on Wednesday, April 25 at 8 p.m. at the home of Mrs. Peggy Belisle, 11 Empire Place, Greenbelt. Mrs. Mary Ann Baker will present the program for the evening. Her topic will be "Vegetable Gardening and Cookery."

The regular monthly workshop will be held on April 26 in the Greenbelt Library Meeting Room. There will be a demonstration of Chinese Cookery. Please note that there is a change in the meeting night of the workshop.

Mrs. Carrie Hall

by Mildred Hieber

Greenbelters mourn the loss of one of our oldest and most beloved citizens. Mrs. Carrie Hall of 15-C Parkway, passed away on April 11 in Melbourne, Florida, where she had spent a very busy winter with her daughter and son-in-law.

Mrs. Hall was one of the early residents of Greenbelt, having moved here with her husband, the late Mr. Herbert Hall, in January 1938. Over the years she had been active in many capacities. She was a member of the Woman's Club, Democratic Club, Community Church, and the founder and first President of the Golden Age Club. During World War II she sewed, rolled bandages, etc., for the Red Cross. For the past ten years she dressed many dolls (through Church Women United) for underprivileged children. In years past she was fortunate to have lunched twice at the White House. Last October she received a birthday greeting from President Nixon. Her accomplishments were many.

Mrs. Hall was in her ninety-third year. She was buried Monday at Fort Lincoln Cemetery.

Survivors include two of her five children, Mrs. Carrie Tomlinson, of Ontario, Canada and Mr. Herbert Hall of White Oak, Md. Six grandchildren, eighteen great grandchildren, and one great-great-grandchild also survive.

Mrs. Hall was a most remarkable person and will be sadly missed by all of us.

McGee - Kender

Mr. and Mrs. John McGee, 7D Hillside Rd. announce the marriage of their daughter, Barbara to Janos Kender of Paris, France and New York City on April 14, 1973 at the home of the bride's aunt and uncle in White Plains, New York, with the Rev. Kenneth Wyatt presiding. The couple will spend a 6 weeks honeymoon touring Europe.

Community Church News

Greenbelt Community Church and Mowatt Memorial United Methodist Church are joining together for Holy Week services. On Maundy Thursday the service will be at Community Church at 8 p.m. The Good Friday service will be held at the Methodist Church, also at 8 p.m.

The Rev. Ralph Weisser of Silver Spring will conduct the Easter Sunday service at Greenbelt Community Church on April 20 at 11 a.m. The sermon topic will be "The Presence of the Living Christ."

APB Reports On Double Tennis Tournament April 23 Agenda

A request to the county for a special exception to permit private academic instruction above the second grade at the Jewish Community Center has been regarded with favor by the city's Advisory Planning Board. By a unanimous vote, the APB recommended to the city council approval, provided that the loading and unloading of children occur in the parking lot at the rear of the building located at Westway and Ridge. The JCC has filed the application for special exception on behalf of the Partridgeberry School, which now has currently enrolled 20 children. Partridgeberry School wishes to admit 8, 9, and 10-year-old children up to a maximum of 40. Counting the 30 children presently enrolled in the Temple's nursery school, the new enrollment would be 70, some 12 above the existing special exception.

In its Report (No. 124), APB expressed concern over the possible impact of loading and unloading children at the front of the building in view of the traffic volume using the Ridge and Westway intersection. Noting that there could be traffic tie-ups or bottlenecks at this intersection, the APB recommended that loading and unloading occur at the rear of the building.

Community Goals

Another APB Report (No. 125) recommended that the community goals for Greenbelt be expressed in short descriptive phrases. Suggested were the following: 1. Quality; 2. Stability; 3. Preservation of garden community 4. Leisure time opportunities; 5. Maintenance; 6. Adequate provision for municipal services; and 7. safety.

Mobil Gas Station

Council also received APB Report No. 123 on the proposed subdivision plan for the reconstruction of the Mobil Oil service station located at Centerway and Crescent Rd. The report reaffirms the APB position that a direct pedestrian access be provided from the underpass near Gardenway to Centerway as is presently provided by a sidewalk across the Mobil property.

Because the parcel involved (Parcel 3-A) was never previously subdivided, the plan must be approved by the Maryland National Capital Park and Planning Commission before building permits can be granted. The existing sidewalk was never dedicated as a public sidewalk.

Another problem with the Mobil station property is that it extends out into the right of way of Crescent Road, reducing the right of way width from 100 feet to 53 feet. The city is seeking a 60-foot right-of-way at least.

These reports will be taken up by council at its April 23 meeting.

Wine and Cheese Party

On Wednesday, April 25, the Springhill Lake Civic Association will sponsor a Wine and Cheese Party. The time is 8 p.m., the place is the Springhill Lake Community House.

All members and friends of the Civic Association and all lovers of wine and cheese and parties are welcome. There will be a small donation at the door.

The Greenbelt Tennis Association's round robin doubles ladder tournament will be held Saturday, April 21 from 8 a.m. to 1 p.m. at the Braden Field tennis courts. If weather conditions are severe, the tournament will be postponed for one week. For marginal weather conditions, check at the courts for the tournament status.

Persons interested in playing in the tournament need only show up at the courts. New members are welcome and may join GTA at the courts during the tournament. Players needing a doubles partner should check at the courts the morning of the tournament.

GTA's ladder committee for this year are Bill Gaskins, Claire Walsh, and Len Modzelewski. Ladder matches may be reported to the committee by phoning 937-6646.

The singles ladder tournament ended last Saturday. John Shearer, Bob Carrol, Dave Walters, Bob Jackson and Bill Burks were the top five players.

Tennis players interested in joining the Greenbelt Tennis Association should contact either Jerry Forbbs (345-3789) or Steve Sinden (345-1669).

GHI Annual Meeting, Elections, May 16, 17

The annual membership meeting and elections of Greenbelt Homes, Inc., to elect five candidates to the board of directors (for two-year terms) and three candidates to the audit committee (for one-year terms) will be held on May 16 and 17. The annual meeting and election will be held at the Greenbelt Center School on May 16 and the election on May 17 will take place at the Greenbelt Youth Center. Voting machines will be used at both locations.

The board members whose terms expire this year are Nat Shinderman, Dave Lange, Janet James, Donald Volk, and Norman Weyel. The last two named have indicated their decision to run again for office. Board members receive a salary of \$750 a year, officers \$1,000.

Present audit committee members are: James Foster, Charles Brown and Gordon Allen. Foster has indicated his decision to run again. The chairman of the audit committee receives \$350 a year, the other two members \$250.

Candidates' Consent Forms are to be completed and returned to the nominations committee by May 5. As of April 16, the committee has not received any consent forms for the board of directors or the audit committee. Any person interested in serving in one of these capacities may contact one of the following members of the Committee: Alex Chavrid, 30-A Ridge Rd., 474-2195; Evelyn Barcus, 2-T Gardenway, 474-4617; Janet Stotler, 18-Z-1 Ridge, 474-9406; Cathy Foster, 36-J Ridge, 345-2025; Bud Dean, 2-A Ridge, 474-5586.

WAITRESS WANTED

Must be over 21. Good salary & Tips. Apply Pizza Inn, Beltway Plaza Shp. Ctr. or call 345-7781

Recreation Review

For the youngsters who will be on vacation next week, the Youth Center will be open 9-5:30 p.m. with activities revolving around the regularly scheduled programs.

EASTER EGG HUNT

The Easter Bunny will host the Annual Easter Egg Hunt sponsored by the Greenbelt Recreation Department, on Monday, April 23. The hunt will take place at the Greenbelt Lake Park promptly at 9 a.m. Pre-school thru elementary grades children are invited to attend. Prizes will be awarded in four age categories for the finders of the golden eggs. In addition to the eggs filled with candy, Beltway Junior Hot Shoppe has donated over 100 eggs filled with certificates for free goodies at their store. Rain date for the egg hunt will be announced at a later date.

At 10 a.m. at the Lake Park Bandstand, Wayne, the Wizard will present his Magic Show. In case of rain, the magic show will be at the Youth Center at 10:30 a.m.
