## City Set to Celebrate its Fifty-second Fourth of July with Fireworks, Hoopla

### by Pat Scully

Bombs bursting in air and the rockets' red glare at Buddy Attick Park will provide the grand finale as Greenbelt celebrates Independence Day on Tuesday. The aerial and ground display of fireworks will climax a day of festivities, including contests, picnicking and music.

The Public Works Department will start the fireworks at about 9 p.m. (dusk). Trained pyrotechnicians, headed by Kenneth Hall, will launch the display, which the city purchased from the Zambelli Company. The Green-belt Concert Band will begin the celebration at the Lake Bandstand at 7 p.m., with a program of classic old-time hits and patriotic songs. John Del Homme, in his twentieth season with the Greenbelt Concert Band, will lead the 145-member band. The cannon passage from Tchaikovsky's "1812 Overture" (the familiar "cereal that's shot from guns" theme) will greet the first burst of fireworks. In case of rain, the fireworks

display will be rescheduled for the next clear evening. The concert, however, will be washed out.

Members of the Greenbelt Lions Club will be at the lake park selling raffle tickets to raise money to support their community service activities, including camp scholarships for children. They will be raffling off two season tickets to the Redskins, with the raffle to be held Labor Day weekend.

#### American Legion Picnic

American Legion Post No. 136 will host its annual family picnic, beginning at noon. The Post is located just off Greenbelt Road at Lakecrest Drive, behind the steamroller. The menu will feature traditional Fourth of July food, including hamburgers and hotdogs (free for children), as well as more exotic fare such as Italian sausages.

In between eating and drinking, adults and children can take part in games and contests. Children can enjoy pony rides, 3legged and sack races and an egg toss, while adults can take part in horseshoe pitching, a dunk ) and (staffed by volunteers a tug-of-war between the different branches of the service. Continuous music will be provided by Rudy Adlers six-piece Dixieland band, playing jazz tunes and the blues, and Legion D.J.'s on the bandstand from noon until 5 p.m. The festivities will continue inside until 7 p.m.

Families are encouraged to bring their own lawnchairs and blankets. Extra parking is available across the street at the Holy Cross Lutheran Church parking lot.

Fountain Lodge The Springhill Lake Fountain Lodge will celebrate Independence Day with Funfest '89. From 11 a.m. until 4 p.m., the side lawn of the Lodge will be the site of contests, games, and other activities for adults and children. Chalk drawing, face painting, 3legged and sack races and pieeating contests are planned. Residents and friends will have a chance to show their talent in the Hulk Hogan and Mr. T Looka-Like and the Lip Synch contests.

Uncle Sam will be on hand to welcome Mayor and Mrs. Gil Weidenfeld at noon and to per-form "God Bless the U.S.A." Mc-Gruff the Crime Dog, along with Greenbelt Police Officer David Buerger, will help teach chil-dren to "Take a Bite Out of Crime." Punchin' Judy's recent sighting of Elvis at the Center has been corroborated; he'll be performing at 1 p.m. at the Fountain Lodge stage. The Pros, professional D.J.'s, will keep the mu-sic playing all afternoon.

The Good Neighbor Watch Program's "Ident-a-Kid" program will be set up to spot lost children and reunite them with their parents. They will also be taking fingerprints that will go on file with the Police Department so lost children can be identified and returned home in the future.

The Boy Scouts, Cub Scouts, soccer team and civic association will be selling food for the Fourth: hot dogs, baked goods, snow cones, ice cream and soda. For more information call the Fountain Lodge at 474-4555.

The two Springhill Lake swimming pools will be open to SHL residents with identification cards during regular hours; one from 10 a.m. to 9 p.m., the other from noon to 8 p.m.

The Greenbelt pool will open and close early on the Fourth. Holiday hours are 10 a.m. until 8 p.m. The recreation centers will be open from noon until 6 p.m. The Firecracker Tennis Tourn: ment will be played this weekend and next, taking a break on the Fourth itself. The tennis courts, softball courts, softball fields and horseshoe pits will be available for open play.

#### Getting There Safely

Parking at Buddy Attick Park will be severely limited on the Fourth, so those living close enough are encouraged to walk. The lake lot will be reserved for the handicapped, the elderly, city officials and employees and members of the band. While Crescent Road will be barricaded from Kenilworth Avenue to the park entrance, the Police Department will establish an area for drop-off and pick-up of passengers near the entrance. Ridge

Road will also be blocked off. There will be limited parking on Crescent between Lastner Lane and Ridge Road. Concertgoers and fireworks-watchers should bring lawnchairs or blankets.

The Police Department reminds celebrants that all types of fireworks, even sparklers, are illegal in Prince Georges County. Possession of alcohol is also prohibited at Buddy Attick Prk.

For more information, call the Greenbelt Recreation Department at 474-6878.

## **July 4 Metro Changes**

On Tuesday, July 4, Metro will operate from 8 a.m. to 1 a.m. Metrobus service will operate on a special Saturday schedule with additional service from eight downtown bus staging areas. Fares will be 75 cents per trip with exact change required. Rail fares will be collected in barrels. Senior citizens with a valid WMATA identification card will pay 25c per trip. Transfers between Metrobus and Metrorail will be free. Parking at all transit authority-operated lots will be free.

Passengers should take advantage of all the downtown stations and avoid using the Smithsonian and Federal Triangle Stations, which are usually very crowded. Trains and buses can move approximately 100,000 passengers an hour. If crowds are very large, it will take several hours to clear the Mall.

More than 100 Metro admin'strative employees will be on hand to provide information and assistance to passengers on July 4. They will wear bright 1ed, white and blue hats with Metro insignia. A flyer with a map of the downtown area showing the location of transit stations will be available in the buses and at the rail stations July 4.

Standard weekday bus and rail schedules will be in effect on July 3 and 5 unless the fireworks display is cancelled on July 4 and rescheduled for July 5, then additional bus and rail service will be provided. Special July 4th 75-cent cash fares will be in effect from 7 p.m. to closing. Special service will be provided for passengers returning home from the fireworks display.

# **CENTER WINS NARROWL**

## by Diane Oberg

Greenbelt East, along with the absentee ballots, provided the margin of victory as the \$3 million bond ordinance for a community center was approved 833 to 762 (51.5% to 47.1%). Center School was selected as the preferred site for the community center by an even narrower margin, with 50.3 percent of the voters for Center versus 46.4 for North End. The \$1 million bond ordinance for the development of Schrom Hills Park passed easily, winning over 75 percent of the votes cast. (See box.)

The Park borrowing won approval in all precincts of the city, with the narrowest margin in Springhill Lake where 19 of the 31 voters cast "For" votes. The largest margin was in Greenbeit East with 86.6 percent of the voters in favor.

The community center bond ordinance faced a much toughe" battle. Voters in the two pre-cuncts in the city's core rejected the borrowing while Springhill Lake, Greenbelt East and the absentee voters all favored the ordinance. Interestingly, voter;

in the Center Precinct favored the North End location by a larger margin than those in North End Precinct. The three groups voting for the bond ordinance also favored the Center School location.

Fifty-two percent of the city's registered voters cast ballots. North End had the highest turnout with 57.1 percent of those registered voting, while Spring-hill Lake had the lowest with just 22 percent of the 139 registered voters coming to the polls.

## Miss Greenbelt Pageant Will Benefit Make-a-Wish

Labor Day's Miss Greenbelt Pageant will benefit the Makea-Wish Foundation this year, according to pageant chair Cheri Gainor. Miss Greenbe't contestants will collect donations for the Make-a-Wish Foundation of Greater Washington, with a community service plaque to be awarded to the contestant raising the largest amount of do -tions.

The Make-a-Wish Foundation is a nonprofit organization whose purpose is to grant the special wishes of children under the age of 18 who are suffering from life-threatening illnesses. Many of these youngsters and their families have experienced emotional, physical and financial suffering that has left them with little to look forward to and few sources of happiness. The Makea-Wish Foundation of Greater Washington serves children in this area whose wishes have included a hot air balloon ride, a trip to Disney World and a visit with a favorite sports or entertainment star. The objective is to include the entire family in the child's wish and make it a happy, memorable occasion.

The Miss Greenbelt Pageant traditionally recognizes community service in its relationship

with community groups and with activities during the pageant. The contestants will be collecting tax-deductible donations for the Make - a - Wish Foundation from now through the Festival weekend.

Many special activities have been planned for this year's pageant, which has a nautical theme. There will be a photo shoot in Annapolis, a tour of the city and a day at Wild World The Pageant participants will hold a car wash on July 8, from 10 a.m. to 3 p.m. at Holy Cross Lutheran Church, to raise money to fund their seaworthy Labor Day Parade entry.

The deadline for signing up to enter the pageant is July 10. Contact Cheri Gainor 441-8589 for more information.

**News Review Deadline** Because of the July 4 holiday the News Review office will be open only Mon., July 3 from 2 to 4 and 8 to 10 p.m. and closed Tuesday, July 4. Deadline for submission of articles and advertising is 10 p.m. Monday at the office, and 7 p.m. Monday at the box in

Co-op Supermarket.

## Letters

## Thank You, Greenbelt

Citizens for Education and Community wishes to thank out many friends and supporters was tirelessly gave of their time. 1.oney and enthusiasm to insure that all Greenbelters were informed of the issues involved in this week's critical bond refer endum. We also thank all the voters who realized the importance of this issue and turned out at the polis.

Throughout our history, Green belt residents have consistantly acted to preserve the spirit of our community. A centrally 10. cated community center, a beautiful new school in North End and a completed park in Greenbelt East will enrich our community for many years to come Thank you, Greenbelt.

> David Lange, Chairman Citizens for Education & Community

## CONGRATULATIONS

I'm sorry I was unable to join the celebration on June 4 for the transfer of the school property, the Greenbelt Museum Plaque dedication and the announcement of the State's help to purchase Parcel I. My wife and I had a long-time commitment to attend an old school reunion.

These happy announcements give fitting testimony to the "Heart of Greenbelt" efforts by citizens and the City Council working on an inter-governmental structure by revising old governmental school bond obligations and purchasing land to pre-serve the "Greenbelt" around the city and its environmental quality.

In this connection, the senators of Prince Georges County were happy to play a small part. in these successful events, by, among other things, introducirg Senate Bill 726, which passed both chambers and was signed into law by Governor Schaefer on May 25, 1989. This law provided the reputed "secret way" to allow the state to transfer \$1.4 million for the purchase of Parcel I from the developers.

Again, my congratulations to the citizens and local city officials for these significant achievements in Greenbelt's history. As Councilman Tom White said so well, "Most of the good things in Greenbelt's history can be traced to the energetic and persistent eiforts of individuals and groups of Greenbelt citizens.

## JOE'S TIPS OF THE WEEK

Hello Again,

In these hot days, a lot of questions come our way on vehic-les' air conditioners. Most of the comments are "It does not feel as cold as it should" or "It takes too long to cool down." Well, let's see if everything is up to proper standards in your system.

If you have a thermometer, place it in the center output duct of the air conditioner outlet. Let the system run in maximum setting for about 10 minutes. Temperature settings and readings will vary from vehicle to vehicle but if you get a 20 to 25 degree difference from the outside ambient temperature, you have an efficient air conditioning system.

In a vehicle parked in the sunlight with the windows rolled up, the sunlight heating up the entire area of the car will raise the inside temperature to over 100 degrees. It takes some time to cool down the intereior. A sunshade across the front windshield will help considerably to cut out the sunlight.
