

GVHC Approves "Moore Plan" For Installment Buying Of Homes Here

A new plan for selling GVHC homes which permits the purchaser to pay a partial down payment of only about five percent and to take as long as five years to pay off the remainder of the down payment was approved by the Greenbelt Veteran Housing Corporation board of directors in one of several items considered at their meeting on Friday, July 9.

The new method, which might be called the Moore Plan, since it was developed by GVHC's Treasurer Lloyd Moore and his fiscal committee, replaces the present deferred down payment plan. The Moore Plan, in addition to extending payments on the down payment to five years, also permits the purchaser to sign a mutual homeowner's contract immediately. Under the old deferred plan the down payment must be paid off in two years, and the home buyer does not obtain a mutual homeowner's contract until this payment is completed.

Those GVHC members who are now buying their homes on the deferred down payment plan have the option of switching to the Moore Plan or continuing as before. If they switch, they will be given a mutual homeowner's contract immediately and allowed to extend payments on their down payment to five years, including the time that has already lapsed on their deferred down payment contract.

GVHC Sales Fee

The question of whether the two-and-half percent service fee charged by GVHC to help GVHC members sell their homes is justifiable was brought before the board by Harry Zubkoff, editor of the Cooperator.

Zubkoff argued that GVHC deserved the fee only in those cases where the GVHC sales staff participated in the selling of the home. He noted that in many cases a prospective purchaser was merely referred to the home of the GVHC member wishing to sell. Under these circumstances he felt that the fee was an excessive and burdensome cost to members, who should receive this service free of charge.

The board pointed out that a minimum of half an hour was spent with prospective purchasers explaining the mutual housing principles on which GVHC is based and that much paper work is involved in making the sale. It was also noted that the income from this service fee helped pay for GVHC advertising.

After deciding that no prospective buyers would be referred to a GVHC home up for sale unless the member specifically registered for this service, the board came to the unanimous conclusion that the service fee was a satisfactory policy.

Workshop Request

A previous request for permission to set up a small furniture workshop in a Parkway garage was turned down by the board. The board felt that, while such a shop could be desirable in Greenbelt, it would necessitate placing all of Greenbelt in a commercial zone. This would require reopening the entire rezoning question, and it was agreed that it would not be desirable to go into that matter at this time. It was decided to hold the question in abeyance for possible future action.

A GVHC member appeared before the board to complain about the continuance of dogs in Greenbelt and to urge the board to press action against dog-owners. Although the member was urged by the board to reveal the names of neighbors who possessed dogs, he

Anthony M. Madden Wins Insurance Trophy

Anthony M. Madden, Greenbelt's Farm Bureau agent for more than a decade, has captured the trophy for the Companies' outstanding fire insurance salesman in 1953. Madden led an agency force of over 3600.

Awarding of the trophy was announced in the July issue of "The Challenger," monthly magazine for Farm Bureau agents.

The Farm Bureau Mutual Automobile Insurance Company is the largest member of the Cooperative League of the U.S.A., and has worked closely with co-ops in many parts of the country. Loans from the Companies and their subsidiaries made possible the purchase of Greenbelt by its residents, the construction of the Takoma Park co-op stores, and the Greenbelt Consumer Services new Wheaton project, now under construction.

Madden lives at 27 Ridge with his wife, Catherine, and their six children.

St. Hugh's Offers I-Day Paint Frolic

An all day "paint frolic" for members of St. Hugh's Parish and their friends will be held this Saturday, July 24. The purpose of the "frolic" is to paint the St. Hugh's rectory and convent located at 58 A-D Crescent.

All equipment, including paint, brushes, and ladders will be provided, and beginners at painting will be as welcome as experienced hands. Three professional painters will be at hand to offer guidance.

Those interested in participating, either for an hour or two or all day, should call Ed Burgoon, 4963, who is supervising the festivities. Those unable to phone are asked to drop in at the rectory any time on Saturday.

Burgoon, who hopes the entire painting job can be completed in one day, noted that those residents seeking experience before painting their own homes will have a chance to obtain professional advice as well as practice at no expense to them.

Lock Those Bikes

The Greenbelt Police Department has requested all parents to warn their children about leaving unlocked bicycles in the Center. A total of 22 bicycles have been stolen since June 1 and the figure will increase unless bicycle owners see to it that their property is properly protected.

Most of those stolen have been recovered either by the police or the individuals concerned, but there are still many missing which will probably never be returned. Chief Panagoulis theorizes that many out-of-town patrons of the pool use a stolen or "borrowed" bike for riding out of town where they usually abandon it in the brush, and hitch hike home from the highway.

Babe Ruth League Maryland Tourney At Braden Field, 2 Games Saturday

Babe Ruth Leaguers from four sections of the state will converge on Roy S. Braden Memorial Field to battle for the Maryland title Saturday. In addition to teams from Easton, Frederick and Greenbelt as reported in last week's Cooperator, State Commissioner Bill Moore announces that Baltimore will be represented by an all-star team selected from the N.E. Baltimore YMCA Babe Ruth League. Inclusion of the fourth team makes Baltimore the North, Greenbelt the South, Frederick the West and Easton the East and forces a second day of tourney play, contrary to last week's announced tourney plans.

Half Time BRL Lead To Variety; Gas 2nd

Variety Store has finished its first-half play in the Co-op Babe Ruth League of Greenbelt with a 7 and 2 record and can do no worse than be tied. Service Station must win its two remaining 1st half games to tie. Rain forced one postponement last week and Boy Scout camp quarantine that had several of our BRL players held up caused another postponement. These games will be made up and be reported in next week's Cooperator.

Captain Dick Taylor pitched and batted his Service Station team into a temporary first place tie July 13 as the Greasemonkeys edged Variety Store 9 to 7. Taylor fanned 11 and gave up but 3 walks and batted in 2 runs with his third inning single. Firstbaseman Pete Bowman added 3 hits to the winning assault in 4 times at bat. Donnie Estep, Bob McKenzie, Barry Petroff and Billy Morin collected two hits apiece for Variety. Petroff's first inning two-run triple was the game's only extra-baser.

Ice Cream Festival And Lawn Party

The public is invited to a lawn party and ice cream festival on the Community Church grounds Saturday evening from 7:30 on.

Paul Strickler, chairman of the committee on arrangements, announces there will be entertainment for all age groups in addition to the cake, punch, and ice cream. Serving will be done at tables on the lawn by girls of the Senior High Fellowship group.

The 30 minute sound color film made by the Air Force on the Arthur Godfrey Story of Aviation will be shown in the Social Hall twice during the evening. In addition, there will be group games for the children on the lawn so the "old folks" can enjoy a quiet tete-a-tete as they linger over ice cream and punch.

Assisting Strickler on the planning committee are Mrs. Jean Schneider, Mrs. Alice Bluehosh, Robert Halpin, William Blacker, and Robert Fisher. The main function of the festival is to enjoy an evening on the cool church grounds.

Baptists Plan Baptismal Service

Sunday, July 25, at 4 p.m., the Greenbelt Baptist Chapel will have a baptismal service in the parent church, Metropolitan Baptist, of Washington, at 6th and A Sts., N.E. All are requested to meet at the Center School at 3 p.m. so that everyone will have transportation. A number of adults and boys and girls have presented themselves for baptism.

Drawing for tournament positions will be done by the four Babe Ruth Leagues' presidents at the City Office at noon Friday. From this drawing the teams will be paired for their Saturday games. Eleven o'clock is "play ball" time for the first pair, the second pair playing at 4 o'clock. Umpires will be furnished for the games by the Metropolitan Baseball Umpires Association of the District of Columbia.

Saturday's two games will furnish two finalists who will return to Greenbelt Wednesday, July 28, to battle it out for the right to represent Maryland in the Regional Tournament at Clarksburg West Virginia, the week of August 1. The Maryland "title game" will be at Braden Field, 2 o'clock next Wednesday.

Commissioner Moore, who doubles as local Babe Ruth League prexy, and Recreation Director Don Wolfe, have supervised the local four team loop and have come up with their all-star selections to represent the host city: Firstbaseman - Pete .500 Bowman; Secondbaseman - Bob .455 Canning; Thirdbaseman - Bob .444 McKenzie; Shortstop - Billy .600 Andrusic; Leftfielder - Richie .370 Fonda, also a slick firstsacker; Centerfielder - Wes .316 Hogan; Rightfielder Donnie .441 Estep, another able firstbaseman; two fine catchers, Mike .318 Canning and Dale .538 White; pitchers Dick .318 Taylor and Barry .482 Petroff. Taylor can and does play a fine brand of shortstop and Petroff has played considerable secondbase. Rounding out the squad of 15 are utility men Ronnie .289 DonBullian, Tommy .182 Iveson, Fred .250 Slaugh and diminutive Donnie .067 King. DonBullian and Iveson are able infielders and good hitters. Big Slaugh can pitch and play the outfield while the little fellow, King, can play infield or catch. Wolfe will manage the Greenbelt team during Maryland tourney play.

"GREENBELT AMNESIA"

(Ed. note: Long's reference to the "Greenbelt Amnesia" was well-directed, last week. Our reporter had been informed that Dr. Byrd would attend 4th of July ceremonies if he was "in the vicinity". He had written this in April. We assumed his busy political campaign would prevent him from attending. We understand he made a fine speech. What is more important is that he took the time to be here, for the third consecutive Independence Day, and it is gratifying to know that a candidate for governor has the city of Greenbelt close to his heart. Our apologies to Long, and to Byrd, and to our readers. Often we become proud of our seemingly professional work, but an incident like this only serves to remind us that we are amateurs and need help. Any offers?)

Dyed-In-The-Wool Cooperator

Al Long, who expresses his opinions freely and regularly in his column "The Long View" appearing in the Cooperator, has given his own answer to the recent editorial which made a preliminary appraisal of this year's GVHC board of directors. Long's reply was to label the viewpoint of the author of the editorial as that of a dyed-in-the-wool "cooperator". Long proceeded to contrast this with his own approach, which is that of the "private enterprise business man."

We are not sure that Long's statement requires any answer since he did not in any way deny the statements made in the editorial which described his service on the GVHC board. Certainly he did not take the trouble to define what he meant by a dyed-in-the-wool cooperator and whether it is something bad, good or indifferent.

What Long did make clear was that he considered his present method of serving the GVHC members as satisfactory and served notice that he intended to continue his present policy. Perhaps he is right. Perhaps most members feel with him that committee work and regular attendance at meetings are not really important contributions. Perhaps he will be reelected to the board on the basis that he is a man who always stands ready to offer good, sound advice to management. For our part we feel that members will not give their votes on that basis. We believe they will wonder how a man can offer good, sound advice when he makes no concerted effort to dig deep into what is going on in GVHC through his committee or cannot be at all board meetings and particularly at quarterly membership meetings where he can catch the pulse of the members.

Shorts Aftermath

We note with interest that the shorts campaigners have not yet accepted defeat at the hands of the city council but have countered with a strategic maneuver. They have made themselves wrap-around skirts which barely cover their shorts and wear them as a cover for the offending garments when they shop at the Center. Since their shorts in this case are mere undergarments, they are conforming to the letter, if not the spirit, of the law.

The girls evidently hope that this fad will catch on as a means of pointing out that the prohibition against shorts is pointless. Meanwhile, they enjoy the coolness of shorts without breaking the law. It is possible, of course, that the city council might strike back by banning skirts of a specific length, and it would give the police the interesting, although perhaps embarrassing, job of measuring skirts of doubtful length.

If the city council persists in assuming that the issue is now dead, then they have obviously failed to realize that they are dealing with a band of determined women. They may discover there is quite a bit of truth in that old warning about a "woman scorned."

Should you wonder about the as-sorted plants rooting on the Cher-ins' window sill, Bell will tell you they are cuttings brought back from Lake St. Catherine, Vt., where Gabriel and Bess Cherin and daughter, Dinnie, visited family and friends. Blue shadows and bright sunlight succeeded each other over the hills of New England making the return trip a memorable one. Bess and Gabriel brought back their niece and nephew Lenore and Gerald Weinstein. While here, Gerald will celebrate his ninth birthday. Happy Birthday.

There were many hands extending good wishes to Dana Perel-zweig who was 15 years old—and surprised Saturday. Frieda and Ben with full cooperation from Judy and Naomi-Jo planned a surprise birthday party. Dana, who is attending the summer dramatics workshop at Catholic University, will appear as the dwarf in C. U. dramatization of Ben Johnson's 'Volpone'. Much success, Dana.

The Ralph Millers at this writing are already immersed in the salty tangy waters of the Atlantic. Carolyn, Ralph and family are at Rehoboth. Have lots of fun.

The Leasia family is in a state of excitement and little wonder! Getting Johnny, Tod, Diana and Linda packed away for their trip to St. Paul, Minn. is no jaunt for the timid. Leland and Jennifer plan to disconnect their ankle bones from their knee bones and let the world go by for all the days of August. Have a wonderful time.

Mrs. Hertz, Janet and Lynn, after an extended visit with Myra's family in Montgomery, Alabama, lament the fact that they sizzled under 110 degree temperature while we roasted only under 100 degrees. Didn't you have more magnolia trees to hide under?

Dorothy and Michael Stalberg have just returned from camp. Three weeks of fun, swimming and eating were as long as they could stay away from brother Kenny. Kit Markfield and Matty Citron also at the camp returned with them. Welcome Home!

The medical director of the Army Audiology and Speech Correction Center at Walter Reed Army Medical Center, Washington, D. C., has been promoted to the rank of major. He is James P. Albrite, who heads one of the largest centers in the United States for research and care and treatment in the fields of hearing and speech disorders.

Presentation of Major Albrite's new insignia of rank was made by Major General Leonard D. Heaton, Commanding General of Walter Reed Army Medical Center.

An Army doctor, Major Albrite has headed this important Walter Reed component since December, 1953. Its patients include those of the Army, Air Force, Navy, Marine, Veterans Administration and Public Health Service patients.

Major and Mrs. Albrite live at 8-B Ridge Road.

The following boys and girls of Community Church are leaving Sunday for a week at the Junior High Camp at Camp Kanesatake, Spruce Creek, Pa.; Ralph Arroyo, Nancy Braund, Billy Edwards, Betsy Fontaine, Sara Hopkins, Karen Jorgensen, Peggy Johannes, Bill Morin, Sharon Nelson, Mary Ann Sandilands, Lewis Smith, Bruce Steffen, Gail Stewart, Sarah Lee Tharp, Rena Voigt, and Helen Weber.

Rev. and Mrs. Braund, Mr. and Mrs. Hoffman, Mr. and Mrs. Steffen, Mr. and Mrs. Weber, Mr. and Mrs. Bluehosh, and Mr. and Mrs. Voigt will be driving the boys and girls up to camp, and other parents will be bringing them back next Sunday.

Allan A. Bryan

Greenbelt lost one of its long-time residents this week when Allan Bryan, 2-E Northway, passed away at Mt. Alto Hospital following an operation. Bryan moved to Greenbelt in June, 1938, from Tyndall, South Dakota. He was born in Sylvan Grove, Kansas, in 1895.

A member of the American Legion for 35 years, Bryan was one of the founders of the local American Legion Post. He served in the Navy in the Mexican War and was a sergeant in World War 1. Retired from the federal government after serving 20 years in the postal service, including a period of several years as a mail carrier in Greenbelt, Bryan was engaged in the moving business with his son since 1949. At one time he owned a gas station on Edmonston Road.

Besides his wife, Bryan leaves three children: Zella Parker, a daughter who lives in Greenbelt, Wesley, and Deanna. Bryan was a 32nd degree Mason, active as a committeeman in Boy Scouts, served on the board of Greenbelt Consumer Services and was recently an unsuccessful candidate for nomination on the Republican ticket for register of wills.

Funeral services will be held Friday at 9 a.m. at Chambers Funeral Home in Riverdale, with burial at Arlington National Cemetery. An honor guard of the Southern Maryland American Legion group will preside.

UNSOLD HOMES

1008 Aspen Road
West Palm Beach, Fla.
July 14, 1954

Just a year ago we left our home of 16 years in Greenbelt, to take a two months vacation in the Sunshine State of Florida. We had talked about moving to Florida for years, and even though it was a "pipe dream" we hoped to one day make it a reality.

After touring through the various states and the West Coast of Florida, we came to West Palm Beach—and after a few days here decided this was the spot we wanted to call HOME, in the future. It was ideal in many respects—climate; location; and very friendly people. We fortunately found jobs and located a nice home in a suburban development. All had gone smoothly and we felt very lucky to have had things work out so nicely for us—to this point.

Unfortunately, we had made the down payment on our home in Greenbelt in December 1952—thinking, at the time, we most likely would spend the rest of our lives there. However, our house at 62-A Crescent was a choice house and many people desired to buy it, so we felt we would never have any trouble disposing of it, should we decide to move. Now, that is where we were WRONG—very wrong!

Since September 1953 we have had the house at 62-A Crescent up for Sale, Rent or What have you. We have put it in the hands of several Realty Companies and spent added dollars advertising it. There have been two definite prospects—each party having a house they would have to dispose of first—to date, we still have not been able to dispose of it.

Now our reason for writing this this open letter to the Cooperator is to ask you people of Greenbelt: What is wrong there? Is the set up GVHC has so awful no one, except long time residents will consider putting money into a deal like that? Or has property around Washington taken such a turn you cannot dispose of it?

If any of you who may read this could enlighten us in any way, as to why we have been so badly stuck by buying the house there would you write to us at 1008 Aspen Road, West Palm Beach, Fla.

We still think of Greenbelt as "back home" and will always remember our many good neighbors and friends there.

Alice and Levi Pittman.

American League Wins

By E. DonBullian

JULY 12/

Tigers 15 - Redbirds 8. Winning pitcher, P. Miller struck out 7, got a single and 3 RBI's. Chavrid was the big hitter with 2 doubles, 2 singles, and 4 RBI's in 5 trips to the plate. Edmunds was close behind with 2 doubles in 3 times at bat while Temple got 3 singles for 3. Hoffman, Henry and J. Miller got doubles. The Redbirds used Sandvik and McNally, their aces, to do the pitching, but 2 errors and Chavrid's hitting practically settled the issue.

Athletics 4 - Giants 3. Winning pitcher, McCauley, pitched to only 1 batter in the last inning and struck him out. Vaughn, starting pitcher, struck out 12 and allowed only 1 hit. Tucker, losing pitcher, only allowed 3 hits and struck out 7. Vaughn R., McCauley, McLaughlin, and Muddy got singles. The fielding gem of the game was a Powell to McCauley to Arensdorff double play. Both teams had 4 errors.

JULY 13

Wildcats 10 - Co-op 9. Winning pitcher, Ailstock. The Co-ops used Thompson, Ruffel and Hickey on the mound. They only allowed 4 hits, one of which was a double by D. Moore but the 4 errors behind them cost them the game. O'Neill got a homer and drove in 5 runs. Co-op got twice as many hits, 8 to 4, but still lost the game. They folded up in the 5th inning when the Wildcats banged out 7 runs.

Indians 12 - Pirates 9. Winning pitcher, Dye, allowed 4 hits and struck 5 after relieving Hyland in the first inning. Shelton and Gelberg, who pitched for the Pirates, were more stingy with their hits but 7 errors behind them cost the game. Hyland banged out another triple. Both pitchers of the losing team got 2 hits while their teammate Shaver knocked out a double. The losers had 7 hits and 7 errors, while the winners only had 4 hits and 3 errors.

JULY 15

Indians 15 - Tigers 12. Winning pitcher, Barcus. It was a close game until the Indians banged out 9 runs in the fourth inning. Byers got a home run and a double to lead the extra base hitters. P. Miller hit a triple for the losers. Cawley and Dye banged out a double and a single each while Haslinger had 2 singles. Chavrid's 3 singles out of 4 trips to the plate made him the leading hitter for the day. Dean got 2 singles while Hoffman got a double and 4 RBI's. A Chavrid to Braund double play was the fielding gem of the game.

Co-op 8 - Giants 2. Winning pitcher, Ruppel, was relieved in the third inning, allowed 1 hit while Hickey allowed 2 hits in his 4 innings. Schosler, losing pitcher, was nicked for 5 hits and struck out 8. O'Neill banged out a triple and double in 2 trips to the plate, really hitting that ball lately. The Co-op took the ballgame in the first inning when they bunched in 4 runs. Schwan, Hodges, Cozad, Cawley, Schosler, and Link all got singles. White was the only player that was hit by a pitched ball.

Dining Room Service We Cater to Parties

"What a way to start a trip!"

"For some reason or other, the usually reliable alarm clock failed to go off, and I had only a few minutes to catch a train for an important sales meeting. Did I make it? You bet I did! A telephone call for a taxi, and I was soon on my way. Thank goodness for the telephone at a time like that!"

When you want to save time, avoid trouble, or ease a worry, that's when you turn to the telephone. And that's the reason, too, why so many people say, "Telephone service is the biggest bargain I buy today!"

"My telephone is worth more to me than it costs"

Few things give you so MUCH for so little

The Long View

By A. C. Long

My oldest son is off on a trip around the world and left me his sporty light blue Ford convertible. As a result I have driven around town several times and have noticed the appearance of the different courts. They range from picture ads in Home and Garden to scenes from Tobacco Road. And the fact that some of the more attractive ones are frame house courts where the residents started from scratch is a pretty good indication that it's the people themselves that make the difference. GVHC can dream up all kinds of costly and intricate landscape plans and not change this, but if it would just enforce the simple provisions of its mutual lease contract, we could have a beautiful town.

Take for example the question of fences. The contract permits an approved "suitable" fence. The Board at that time had in mind well constructed link chain, picket or similar neat-appearing fences, but as one member described some of the monstrosities that have been built, "We had better hog fences back home." I feel sure that one member in the north end expects to keep an elephant in his yard, at least his fence is so constructed.

Then there are those folks who won't tend their own lawn or the lawn between their lot and the street. Either the city of GVHC can and should see to it that such grass is cut and kept clean. One slovenly family can ruin a court and one slovenly court can ruin the town. Its time our city and GVHC officials woke up to this fact. (GCS officials should also wake up to their responsibility of contributing to a cleaner and more beautiful Greenbelt.)

Short-handed Greenbelt Council shorts cuts short ballot on women's shorts—in short, no shorts. I think that I could never bear a world that's short of women. Even though they are a crazy lot and now crew their tresses. But now with leg, silk clad or bare in garb that's carefully woven in Greenbelt town when it's very hot

We welcome them in dresses. Some may miss this feminine wear that's known as women's shorts and vote and vote to reinstate this garb which council depresses. But police now will have no care to keep in line the village sports who would be prone to exaggerate the house wife's strains and stresses.

Last night Mayor Lastner had a dream
That caused him to
Wake up and scream.
For there were tall gals
And short gals,
Even in between gals
And the point he
Carefully noted
Was that dressed in shorts
They all had voted
But now this pleasant thought
His mind expresses
Is that there are thousands
More in dresses.

(Note: Last week's column had a typographical error—"genteel shabbiness" was the phrase intended.)

Inter-City Firemen Softies At Braden

The Recreation Department invites Greenbelt diamond fans to an evening of softball Saturday after the day long Babe Ruth League Maryland State Tournament games at Roy S. Braden Memorial Field. The choice softball tidbit is a game between the Washington Fire Department and the Baltimore Fire Department teams starting at 8:15 p.m.

Officials of both Departments have promised a great scrap that should be well worth seeing.

After the game all the tired athletes will have their hunger and thirst pains alleviated at Greenbelt American Legion Post 136.

Lisle Fellowship Team In Greenbelt

A team of four young people from the Lisle Fellowship will be in Greenbelt for the period of July 22-July 25. Their purpose will be to learn more about Greenbelt, its history as a planned community, consumers' cooperatives in general, and to assist in a community survey which will explore the need for a cooperative hospitalization plan for Greenbelt.

The Lisle team is part of a larger group which is meeting for six weeks at Holiday House in Alexandria, Virginia, to participate in a program of group living, community field work experience, and intercultural education. A typical Lisle unit is a world community in miniature, containing representatives of many different countries, faiths and races. These group members participate in the program cooperatively and voluntarily, each taking as much responsibility as he is able and willing to accept.

The general plan of the Lisle unit is to devote the first week to orientation, the middle period to community field work alternate with evaluation in camp, and the final week to evaluation of the total experience. During the orientation week, speakers come in to acquaint the group with the characteristics of the part of the country in which the group is meeting. Then teams go out for four day periods to live with people in many different kinds of situations. Thus far in the Washington unit, teams have been sponsored by the Washington Federation of Churches, the Women's International League for Peace and Freedom, the Indian Embassy, the Pan American Union, the Methodist Circuit of Summit Point, W. Va., Freedmen's Hospital and Howard University, and the Blue Ridge Missions of Stanardsville, Va. Here they have participated in such things as interviewing congressmen, surveying two city blocks doing general office work, meeting and talking with various people and families, reading and digesting literature, doing recreation and other kinds of leadership, putting on entertainment for hospital patients, and working with mountain farmers in their gardens.

The Lisle Fellowship was founded in 1936 by DeWitt and Edna Baldwin to promote better world understanding by enabling persons from diverse backgrounds to get to know and understand each other, and learn more about the world they live in.

The first unit was held in Lisle, New York, and since that time, there have been summer units each year in one or more states. Three units are being held in the United States this year, one in California and one in Colorado in addition to the one being held in the Washington area. There will also be units held in Denmark and in Germany.

Hogan Hits Homerun Chills Chillum 6-5

The Greenbelt Boys Club Intermediates almost blew a game last Tuesday evening at Lane Manor to an inexperienced young Chillum nine, loser in all ten of its previous league tilts. Greenbelt got off to an early 3 run lead only to stand by and be outscrapped most of the rest of the way.

Trailing 3-5 in the last inning, Barry Powers led off with a clean single to left and watched Bill Morin and Hugh Burns fan. Ronnie Don-Bullian worked John Gaerhart for a walk. That left it squarely up to Wesley Hogan who had grounded out twice and fanned previously. Hogan didn't duck the issue, the lanky centerfielder clouted the first pitch he saw to deepest right center and tallied behind Powers and DonBullian on a game-winning homer.

Swimming Registration

The last registration for this year will be Monday, August 2, from 10 a.m. to 12 p.m. at the Center School Gym. The last registration was the largest ever held in Greenbelt, with a total of 513 children and 29 adults. There will be no early or late registration due to the large amount of work that it takes to schedule the classes for this amount of participation. Those who cannot make the registration, should have a neighbor register for them. The adult classes will also register at this time.

GVHC from page 1

said he felt he could not inform on them. The board pointed out that such a viewpoint made the job of ridding Greenbelt of dogs much more difficult.
